LABOR AND MATERIAL PAYMENT BOND
(CALIFORNIA PUBLIC WORK)

WHEREAS, the Lakeside Union School District (the "Obligee") has awarded to _____ (the "Principal") a contract for the Work commonly described as the:

"Switch and Wireless AP with Installation E-rate 2020-2021 RFP"

(the "Project"); and WHEREAS, the Work to be performed by the Principal is more particularly set forth in that certain Agreement between the Principal and the Obligee, dated _____, 20____, which Agreement and all other contract documents set forth therein (collectively, the "Contract Documents") are incorporated herein and made a part hereof by this reference; and

WHEREAS, by the terms of the Contract Documents, and in accordance with California Civil Code §§ 9550 *et seq.*, the Principal is required to furnish a bond for the prompt, full and faithful payment to any Claimant, as hereinafter defined, for all labor, materials or services used, or reasonably required for use, in the performance of the Work on the Project ("Bond"); and

WHEREAS, the term "Claimant" shall refer to any of the persons described in California Civil Code § 9100, who provide or furnish labor, materials or services used or reasonably required for use in the performance of the Work under the Contract Documents, without regard to whether such labor, materials or services were sold, leased or rented.

NOW THEREFORE, we, _____, as Principal, and _____, as Surety, are held and firmly bound, along with our respective heirs, executors, administrators, successors and assigns, jointly and severally, unto Lakeside Union School District, as Obligee, for payment of the penal sum of _____ Dollars (\$_____), said sum being not less than one hundred percent (100%) of the total amount payable by the Obligee under the terms of the Contract Documents, in lawful money of the United States, as more particularly set forth herein.

This Bond shall inure to the benefit of all Claimants so as to give them, or their assigns and successors, a right of action upon this Bond.

The condition of the obligation is such that if the Principal, or its subcontractors, heirs, executors, administrators, successors or assigns fail to pay (1) any Claimant, (2) amounts due under the Unemployment Insurance Code with respect to Work or labor performed on the Project, or (3) amounts required to be deducted, withheld, and paid to the Employment Development Department from the wages of employees of the Principal and its subcontractors under Section 13020 of the Unemployment Insurance Code with respect to the Work and labor, then Surety will pay for the same in an amount not to

exceed the sum specified above and, if an action is brought to enforce the liability on the Bond, the Surety shall pay such reasonable attorneys' fees as fixed by the court, as set forth in Civil Code § 9554.

If the Principal promptly, fully and faithfully makes payment to any Claimant for all labor, materials or services used or reasonably required for use in the performance of the Work, then this obligation shall be void; otherwise, it shall be, and remain, in full force and effect.

The Surety, for value received, hereby stipulates and agrees that no change, extension of time, alteration, deletion, addition, or any other modification to the terms of the Contract Documents, the Work to be performed thereunder, the Specifications or the Drawings, or any other portion of the Contract Documents, shall in any way limit, restrict or otherwise affect its obligations under this Bond; the Surety hereby waives notice from the Obligee of any such change, extension of time, alteration, deletion, addition or other modification to the Contract Documents, the Work to be performed under the Contract Documents, the Drawings or the Specifications of any other portion of the Contract Documents.

IN WITNESS WHEREOF, the Principal and Surety have executed this instrument this _____ day of _____, 20__ by their duly authorized agents or representatives.

**PERFORMANCE BOND
(CALIFORNIA PUBLIC WORK)**

WHEREAS, the Lakeside Union School District (the "Obligee") has awarded to

_____ (the "Principal") a contract for the Work

commonly described as:

"Switch and Wireless AP with Installation E-rate 2020-2021 RFP"

(the "Project"); and

WHEREAS, the Work to be performed by the Principal is more particularly set forth in that certain Agreement between the Principal and the Obligee, dated _____, 20__, which Agreement and all other contract documents set forth therein (collectively, the "Contract Documents") are incorporated herein and made a part hereof by this reference; and

WHEREAS, by the terms of the Contract Documents, the Principal is required to furnish a bond ensuring the Principal's prompt, full and faithful performance of the Work under the Contract Documents ("Bond").

NOW THEREFORE, we, _____, as Principal, and _____, as Surety, are held and firmly bound, along with our respective heirs, executors, administrators, successors and assigns, jointly and severally, unto Lakeside Union School District, as Obligee, for payment of the penal sum of _____ Dollars (\$_____), said sum being not less than one hundred percent (100%) of the total amount payable by the Obligee under the terms of the Contract Documents, in lawful money of the United States, as more particularly set forth herein.

The condition of the obligation is such that if the Principal promptly, fully and faithfully performs each and all of the obligations and things to be done and performed by the Principal in strict accordance with the terms of the Contract Documents as they may be modified or amended from time to time, and if the Principal indemnifies and saves harmless the Obligee and all of its officers, agents and employees from any and all losses, liability and damages, claims, judgments, liens, costs, and fees of every description which may be incurred by the Obligee by reason of the failure or default on the part of the Principal in the performance of any or all of the terms or the obligations of the Contract Documents, including all modifications and amendments thereto, and any warranties or guarantees required thereunder, then this obligation shall be void; otherwise, it shall be, and remain, in full force and effect.

The Surety, for value received, hereby stipulates and agrees that no change, adjustment of the Contract Time, adjustment of the Contract Price, alterations, deletions, additions, or any other modifications to the terms of the Contract Documents, the Work to be performed thereunder, or to the Specifications or the Drawings shall limit, restrict or otherwise impair Surety's obligations or Obligee's rights hereunder. Surety hereby waives notice from the Obligee of any such changes,

adjustments of Contract Time, adjustments of Contract Price, alterations, deletions, additions or other modifications to the Contract Documents, the Work to be performed under the Contract Documents, or the Drawings or the Specifications.

In the event of the Obligees termination of the Contract due to the Principal's breach or default of the Contract Documents, within twenty (20) days after written notice from the Obligee to the Surety of the Principal's breach or default of the Contract Documents and Obligee's termination of the Contract, the Surety shall notify Obligee in writing of Surety's assumption of obligations hereunder by its election to either remedy the default or breach of the Principal or to take charge of the Work of the Contract Documents and complete the Work at its own expense ("Notice of Election"); provided, however, that the procedure by which the Surety undertakes to discharge its obligations under this Bond shall be subject to the advance written approval of the Obligee, which approval shall not be unreasonably withheld, limited or restricted. The insolvency of the Principal or the Principal's mere denial of a failure of performance or default under the Contract Documents shall not by itself, without the Surety's prompt, diligent inquiry and investigation of such denial, be justification for Surety's failure to give the Notice of Election or for its failure to promptly remedy the failure of performance or default of the Principal or to complete the Work.

In the event the Surety fails to issue its Notice of Election to Obligee within the time specified herein, the Obligee may take all such action or actions necessary to cure or remedy the Principal's failure of performance or default or to complete the Work. The Principal and the Surety shall be each jointly and severally liable to the Obligee for all damages and costs sustained by the Obligee as a result of the Principal's failure of performance under the Contract Documents or default in its performance of obligations thereunder, including without limitation the costs of cure or completion exceeding the then remaining balance of the Contract Price; provided that the Surety's liability hereunder for the costs of performance, damages and other costs sustained by the Obligee upon the Principal's failure of performance under or default under the Contract Documents shall be limited to the penal sum hereof, which shall be deemed to include the costs or value of any Changes of any Work which increases the Contract Price.

The Principal and Surety agree that if the Obligee is required to engage the services of an attorney in connection with enforcement of the Bond, Principal and Surety shall pay Obligee's reasonable attorneys' fees incurred, with or without suit, in addition to the above sum.

In the event that suit or other proceeding is brought upon this Bond by the Obligee, the Surety shall pay to the Obligee all costs, expenses and fees incurred by the Obligee in connection therewith, including without limitation, attorneys' fees.

IN WITNESS WHEREOF, the Principal and Surety have executed this instrument this _____ day of _____, 20__ by their duly authorized agents or representatives.

QUESTIONS AND ANSWERS

Q1: Switches are to be physically installed and configured by the contractor?

A1: Yes.

Q2: Indoor access points are replacing existing and no wiring is needed?

A2: Yes, these would hookup directly to current CAT6 wiring, unless it is a new location needing wire pulled in.

Q3: Outdoor access points wiring is only required for new locations shown on the maps?

A3: Yes, this is true. There were no new inside locations, just outside.

Q4: Contractor is to configure and physically install all access points and virtual controllers?

A4: Yes.

Q5: Rack mounts are to be installed by the contractor?

A5: Yes.

Q6: If the location has switches that are not in a rack, it is the contractor responsibility to move switches/equipment into the rack?

A6: Yes.

Q7: Are prevailing wages required?

A7: Please note any Public Works jobs in excess of \$1,000.00, are required to pay prevailing wages for labor.

1. **PUBLIC WORKS:** Completion of this contract may require a service provider to install equipment and cabling which will increase the scope of this bid and cause it to become subject to public works bidding requirements. To the extent the project is considered to be a public works project, it will be subject to all applicable provisions of the Public Contract Code, Labor Code, and other laws, regulations, rules and other governmental requirements relating to public works construction, including, without

limitation, requirements for payment of prevailing wages, and the successful vendor shall be required to know and comply with any and all such applicable requirements.

In entering into a public works contract or a subcontract to supply goods, services, or materials pursuant to a public works contract, the successful vendor or subcontractor offers and agrees to assign to the awarding body all rights, title, and interest in and to all causes of action it may have under Section 4 of the Clayton Act (15 U.S.C. Sec. 15) or under the Cartwright Act (Chapter 2 (commencing with Section 16700) of Part 2 of Division 7 of the Business and Professions Code), arising from purchases of goods, services or materials pursuant to the public works contract or the subcontract. This assignment shall be made and become effective at the time the awarding body tenders final payment to the successful vendor, without further acknowledgement by the parties.

Any contractor participating in this opportunity must have a valid California Class A-General Engineering Contractor's license and/or a California Class C-4 Contractor's license.

The successful bidder and each of its subcontractors of any tier will be required to pay not less than the general prevailing rates of per-diem wages in the locality in which the work is to be performed for each craft or type of worker needed to execute the contract ("Prevailing Wages"). A copy of the per diem rates of Prevailing Wages applicable to the Project is on file and available for review at <http://www.dir.ca.gov/dlsr/pwd/index.htm>

Q8: Please confirm that a C7 contractor's license is required?

A8: Yes, a C7 contractor's license is required.

Q9: For the (29) new Outdoor AP cabling locations:

Q: What type of cabling is required for ea? (Cat. 6 / Cat. 6A)?

A: Cat6

Q: How many cables per location? (1 or 2)

A: One per location

Q: Does LUSD have a preferred Manufacturer and Cable partner?

A: ICC or Berk-Tek is preferred

Q10: For the (33) Tripp Lite Smart Racks –

Q: Are we just providing or are we to include installation. Will any of these be replacing existing cabinets that will need to be removed and swapped out?

A: Racks are to be installed. All racks will NOT be replacing any existing. Racks are being put in where a switch is on a shelf, but no current rack.

Q11: Please confirm if configuration is required for switches & APs?

A11: Yes, it is required

Q12: For new AP cable installation are we to bid CAT6A or CAT6?

A12: Cat6

Q13: For bidding purposes are we to bid plenum or riser rated cable?

A13: Riser

SUBSTITUTION REQUESTS AND RESPONSES

We are denying the substitution request based on specifications not met by the Aruba brand:

Aruba outdoor APs do not support WiFi 6 (802.11ax), they are 802.11ac wave 2 only and only have 1G interfaces (10/100/1000Base-T and SFP)

Aruba outdoor AP IOT only supports BLE (Bluetooth Low Energy) but not Zipbee.

Aruba 8320 Switch only supports 1G, 10G, and 40G interfaces across all models in that platform. It does not support 2.5 or 5G interfaces.

Must support 12 units in a stack - Aruba supports only 8

Must be manageable by Ruckus SmartZone network controller.

Must support Ruckus Campus Fabric.
