Dear Parent/Guardian,

We are excited to welcome your student to Lakeside Middle School in the fall. Our school office will be open Tuesday, August 13. School starts Thursday, August 22.

At LMS we provide a great learning environment where your student will have energetic and dedicated teachers, and receive a quality education teaching to the state standards while still offering exciting electives.

Each year we offer a fun and informative Summer Explorers program designed to ease the anxiety of starting a new school. While most of the students who participate are incoming 6th graders, this program is open to all new students enrolling at Lakeside Middle School.

During Summer Explorations, new students will have the opportunity to tour the campus, meet key school staff members and hear a little about the many classes available to them. We will also provide information about activities, clubs, intramural sports, field trips, dances and other school activities.
