School Description

Welcome to Lindo Park! We are passionate about teaching and learning. The mission of Lindo Park Elementary School is to work collaboratively to ensure students will engage in dynamic, rigorous, and relevant curriculum. Students will develop abilities to enable them to contribute to our global society. Students will achieve goals in a safe, nurturing, and respectful environment. Our vision is for all students to attain their maximum academic and social potential.

Lindo Park is a neighborhood school serving the Lakeside Community for more than sixty years. We are located in a semi-rural community, 25 miles east of San Diego. A 54-acre county park and lake are directly across the street from our school. We serve a variety of residential areas. Our community is culturally diverse and provides us with a rich cultural heritage. Our keys to successful teaching and learning are a highly trained staff, engaging instruction, digital opportunities, dedicated parents, supportive community partnerships, and most importantly energetic, resilient students who come to school each day wanting to learn and excel.

We have evening activities for parents and students including Family Science Night, Bingo Night, PTA School Smarts Parent Academy, and Family Reading Night, in addition to Primary and Intermediate Science Club, Robotics, Dance-Choir and Dance Clubs. We have a dedicated Science Lab that is utilized by all classrooms to present hands-on standards-based science experiments and instruction. An expert music teacher offers weekly instruction to 5th grade students.

Lindo Park wants students to excel in global society. Our curriculum is research-based and produces tremendous results. We actively integrate 21st century skills with research-based curriculum. Teachers utilize adaptive instructional programs, expert teaching, and student progress is carefully monitored, and shared with parents.

All classrooms are equipped with internet access, iMac computers, SMART Boards, remote devices, and doc-u-cams. Teachers and students have access to Laptops, iPods, and iMacs. All second and third grade classrooms have a 1:1 ratio of iPad Tablets for instruction. Our library/media/technology center is equipped with student computers, one teacher computer, and includes expanded fiction and nonfiction book collections, and on-line instructional resources that can be accessed by teachers and students throughout the day. Students regularly access digital media, books, and related materials.

Instructional time develops a positive school climate through character education and positive problem solving. All classrooms have common rules and common core values woven into the curriculum. Student service to the community is encouraged through Safety Patrol, Peer Helpers, and a partnership with Lindo Lake County Park. Finally, school spirit is promoted by creating a safe and orderly environment focusing on rigorous academic achievement for all students. Lindo Park Staff and PTA focus on parent engagement and community service. We know that when families and community are positively involved in students' schools, academic excellence rises!

We specialize in:

21st Century Innovative Skills: Critical thinking, Communication, Collaboration, and Creativity
Differentiated, dynamic, digital learning for all students to reach their full potential
Targeted Intervention for all English Learners, Title I students, and at-risk students

After School Enrichment: Dance-Choir, Dance Club, Robotics, Science Clubs

Character Education programming to promote proactive, peaceful behavior
Before and after school child care

About the SARC

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- View this SARC online at the school and/or LEA Web sites.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school at (619) 390-2656.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2014-15)

The main fact about textbooks that the Williams legislation calls for described whether schools have enough books in core classes for all students. The law also asks districts to reveal whether those books are presenting what the California Content Standards call for.

School Facility Conditions and Planned Improvements (Most Recent Year)

Lindo Park is maintained by dedicated custodial and district maintenance staff. Sites are painted and carpeted on a regular basis. All sites have recently completed modernization construction. During modernization, all walls, roofs, floors, plumbing, and electrical have been updated to reflect current demands including technology upgrades. Rest rooms and fire alarms systems were updated, along with heating and cooling systems upgraded to ensure efficient energy use. Community Safety Meetings are held with representatives from the sites and community to discuss safety issues for each of the sites.

Our School Bond allowed us the opportunity to rewire Lindo Park for robust electrical and technological improvement. We are proud of the digital opportunities that students can access at our site.

Everyone at Lindo Park takes PRIDE in our school. We are nestled across from a picturesque county park and lake. This wildlife preserve gives our students access to an authentic outdoor classroom and our school has the privilege of collaborating with county park rangers to further science literacy and an understanding of environmental science. Classrooms and digital resources display student work reflecting California Common Core State Standards and innovative projects. Student work is also displayed in the multi-purpose room, front office, hallways, surrounding fences and library. Student-created mosaics, depicting Lindo Lake's flora, fauna, and history, grace the walkway in front of the school, and an outdoor wall mural shares our love of environment.

In conjunction with the national non-profit organization, KaBOOM, community support, and local businesses built a brand new playground on July 31, 2008. The playgrounds, library, as well as other facilities have been supported and maintained by PTA, Boys and Girls Club, Barona Band of Mission Indians, El Capitan Stadium Association, Albertson's Market, and individual community members.

To determine the condition of our facilities, our district sent experts from our facilities team to perform an inspection using a survey called the Facilities Inspection Tool, which is issued by the Office of Public School Construction.

Based on that survey, we've answered the questions you see on this report. Please note that the information reflects the condition of our buildings as of the date of the report. Since that time, those conditions may have changed.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress and its successor the Standardized Testing and Reporting Program);
- The Academic Performance Index; and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement

We have outstanding parent and community volunteers! To become a volunteer simply fill out the volunteer application located in the school office and let staff know areas of volunteering you are interested in. We work in unison with an amazing PTA and we believe in parent engagement, so that all families feel welcome and supported by our school-community. To join PTA please fill out a membership envelope in the school office and include \$6 per adult membership. We provide free interactive educational activities for families. Parents are encouraged to participate in all school activities. Volunteers regularly support and participate in classroom programs. Numerous volunteers and community members are generous with their time, averaging approximately 600 hours of donated time each month! They participate in PTA, School Site Council, School Smarts Academy, an active Room Parent group, and our English Learner Advisory Committee. They chaperone on field trips, and assist teachers in the classroom. We work collaboratively with our parents to provide the best educational experience for our students.

We actively provide communication to families through our marquee, Blackboard Connect which provides bilingual phone messages, text and email communication, a well-maintained and informative web site.

We have a dedicated Parent Room on campus where parents can complete teacher projects, and supervise their toddlers in a dedicated play area, as they help duplicate and collate materials.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

Safety first! Lindo Park's School Site Council (SSC) along with our Safety Committee annually reviews and updates our Safe School Plan. This plan was developed in consultation with law enforcement and fire departments, as part of a Readiness Emergency Management System.

The key elements to our plan are classrooms that are up to fire-department code, updated emergency and disaster plans (updated, reviewed and discussed with faculty on October 20,2014), regular safety drills (conducted monthly), and clear communication protocols amongst staff and office. Information regarding safety is presented yearly at staff meetings and throughout the year. All classrooms and student areas are equipped with appropriate communication and emergency disaster plans and materials located above fire extinguishers.

As a result of this plan, we have installed cameras throughout the school with a central computer monitor system that allows us to view all areas of the school throughout the day. All non-students and visiting adults are required to follow visitor protocol that requires signing in and out of the office upon every visit. Our campus is completely enclosed by fencing and we lock our gates shortly after class begins. To ensure the safety of our students, staff, and all visitors, our teacher-trained safety patrol is on duty daily to monitor the safe flow of vehicles and students. To ensure traffic safety, motion sensor flashing lights are installed at the east end of school, where Lakeshore Drive intersects Petite Lane, reducing the average speed of cars in front of our school. Our Fire Safety Lanes have been re-marked, including updated curbing and directional signs. Speed bumps are in the parking lot we share jointly with the Boys and Girls Club. School-wide safety/disaster preparedness procedures have been developed and are practiced regularly.

At district-wide community safety meetings, our school works closely with local law enforcement to discuss and resolve issues. Even though our school is a crossroads for the community, we experience very little vandalism during evening, weekend, and vacation hours. Motion sensor lighting has been installed throughout the campus. Neighbors monitor our school site during weekends and holidays, reporting any inappropriate activity to the sheriff. To support our neighbors' vigilance, our camera system has successfully kept our campus free of graffiti and loitering. Additionally, fences secure our student population during school hours and to protect our property, when school is not in session. Lindo Park's Safety Committee and PTA have implemented emergency kits designed to aid students in the event of a disaster, in addition to ensuring that bottled water is available to each classroom.

Types of Services Funded at Lindo Park Elementary School

At Lindo Park, we are responsive to students' needs and we utilize state and federal funding to support a rigorous, academic curriculum for all students to reach their maximum potential. We work collaboratively in professional learning communities to support students' social/emotional development and academic achievement. As stated, Lindo Park School receives funds from the state and federal government to support students who are below grade level in reading and/or mathematics and those who are learning English as their second language. In addition to core instructional time, we provide intensive support to students in small group settings.

Our core instructional time is from the beginning of school until lunch and focuses on dedicated, uninterrupted English and mathematics instruction. During this time we use a universal access model in which students are regrouped within grade levels to best target specific academic needs. Teachers meet weekly in professional learning communities to review student work and progress towards California Common Core State Standards. We use state-adopted instructional materials including a rigorous, research-based reading program from Scholastic called READ 180, System 44, and iRead for students needing literacy intervention and prevention. Our mathematics program is HSP Math.

Professional Development provided for Teachers at Lindo Park Elementary School

Teachers take some time each year to improve their teaching skills and to extend their knowledge of the subjects they teach. Here you'll see the amount of time we set aside for the past three years for their continuing education and professional development.
