1. Bus stops shall be recommended by the Director of Transportation and a list of authorized stops submitted to the Superintendent for approval. Drivers are not permitted to load or unload at other than authorized bus stops.
2. The Director of Transportation may establish temporary bus stops where special conditions or needs exist or in emergency situations. Such stops shall not be used for a period in excess of 90 days without approval of the Superintendent.
3. Authorized bus stops shall be located at intervals not to exceed one mile and at places where pupils may wait. load and unload safely. Distance to bus stop will be measured from the point where the student enters the bus route.
4. Bus routes may be extended on the formula of picking up one student per half mile.
5. The number of bus stops on each route will be limited by pupil density, so as to enable buses to maintain a reasonable time schedule.
6. The Director of Transportation shall notify the Superintendent and receive approval before any additional mileage will be allowed on the basic routes.
7. Requests for bus stops inconsistent with this policy must be made in writing and submitted to the Director of Transportation for review and recommendation to the Superintendent.
