LEAPP & EXTENDED STUDENT SERVICES PHILOSOPHY

Extended Student Services is a Lakeside Union School District program, established in 1989, committed to providing accessible, quality before and after school age and preschool programs. The preschool program & center maintains an average ratio of one staff person for no more than 12 preschool children. Our programs provide a safe and relaxed atmosphere where all children create, explore, and solve problems together. The program is limited only by imagination and ingenuity of the children and staff.
