

Lakeside Union iPad Take Home Program

As stated in the Student Use of Technology Responsible Use Policy, Lakeside Union School District is committed to the integration of technology into student learning so that all students are prepared for the challenges presented in high school, college, and career.

Our students use a variety of digital resources and tools to facilitate learning through research, communication, collaboration, and innovation. In addition, many of our textbooks and classroom curriculum include digital components. Therefore, iPads are provided for student use. Students in grades 4-8 are assigned an iPad, which they bring home each day for extended learning opportunities.

An iPad is a powerful technology device that transforms learning. The benefit of an iPad is that it can be personalized for each learner. Not only can it be a word processor, a camera, a camcorder, a musical instrument, or an internet browser, but it also provides access to a myriad of apps that extend learning light years beyond a textbook's capabilities.

Although we teach students proper care of the device, and place them in sturdy cases, there are times when the device may be damaged. The district has contracted with an insurance company to help offset the costs for these repairs. However, part of the repair costs is the responsibility of the family (per BP 6161.2, Ed Code 48904.1 and Civil Code 1714.1).

Financial Responsibility

Parents/guardians will be responsible for a repair co-pay when the iPad is damaged.

- 1st incident in a school year: \$20.00
- 2nd incident in a school year: \$50.00
- 3rd incident in a school year: Full cost of repairs, which average \$199/each.

Lost iPads, cords, and charging blocks are the responsibility of the parent, as these are not covered in our insurance policy. Stolen devices must be reported with 24 hours to the local police/sheriff. A copy of the police report is required to avoid replacement costs.

Description	Cost to Replace
iPad	\$ 329.00
Power Cord	\$ 20.00
Power Block	\$ 20.00
Heavy Duty Case	\$ 35.00

If payment is not received within 30 days of receipt of invoice, actions such as the ones below may be taken by the District, until such time as the invoiced amount is paid in full:

- Suspension of discretionary activities for the student, such as school dances, yearbook signing parties, etc
- Referral to the District Business Office for collections

In the event a device is lost, stolen, or damaged, an Incident Report must be completed and submitted to the school. Any repair or maintenance needed on a student device must be completed through the District. In no case should a parent/guardian arrange for repair on his/her own.

If you do not want the iPad to be sent home with your child, please contact your site Principal to make alternate arrangements.

**Lakeside Union School District
Student iPad Loan Agreement**

Lakeside Union School District provides students with access to district technology resources for educational purposes. Students must adhere to all district policies and guidelines in order to maintain that access.

Be Responsible

- I will bring my iPad to school everyday, charged and ready to use.
- I will keep my iPad in the district-issued case at all times.
- I will carry and store my iPad carefully to prevent damage.
- I will keep my iPad case clean and free of stickers, writing, and other damage.
- I will keep my iPad away from food, beverages, and other liquids.
- I will use only a dry, soft cloth to clean the iPad.

Be Safe

- I will always supervise my iPad. When I am not using it, it will be stored in a secure location.
- I will not share any account passwords with other students.

Be Productive

- I will use my iPad to access, create, submit, post, and publish my learning with the tools provided.
- I will use the iPad to do my own work and avoid plagiarism by giving credit to my sources.

Be Respectful

- I will not use my iPad to bully, harass, harm, or spread misinformation about others.
- I will only use the camera and microphone to take appropriate pictures, videos, and audio recordings.
- I will follow all the procedures and rules in the iPad Student Handbook loaded on my student iPad.
