School Description

Eucalyptus Hills is a Transitional Kindergarten school consisting of 5 classrooms. We have two classrooms of 90/10 Spanish Immersion and three classrooms of traditional English instruction. All 5 classroom collaborate daily and move the school forward with the vision that all EH students are "our students" rather than the ones on our roster. We are dedicated to providing our students with the foundational behavioral and academic skills necessary to prepare our students for Kindergarten. We utilize School-Wide Positive Behavior Interventions and Supports (SWPBIS) in which we explicitly teach our students the behavioral expectations they need to be safe, respectful and responsible. In addition to SWPBIS, we also utilize the Sanford-Harmony Social Skills programs to teach our students cooperation, empathy and effective communication. We provide our students with a rigorous but age-appropriate academic instruction that prepares our students for the demands of Kindergarten. We are also equally dedicated to allowing our students the time to explore their environment, enhance their curiosity and imagination through play. Our play-based learning supports student literacy, math and science cognition, and social-emotional well-being.

Our mission at Eucalyptus Hills is to develop solid behavioral and academic foundational skills for all students.

Our vision is that all Eucalyptus Hills students will be enthusiastic, confident, cooperative learners, and actively engaged in their own learning.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: Cells with N/A values do not require data.

School Facility Conditions and Planned Improvements (Most Recent Year)

The school was built in the early 1960s and has seen several programs on campus in the last 15 years. Six years ago EH became the exclusive TK program for the district. It was recently painted by the district. Buildings and restrooms are clean, well-equipped, and in good working order. We have a small playground with new equipment added this year and a large field. Our site is currently looking into adding additional shading space, new storage space and possible adding a restroom for the office.

To determine the condition of our facilities, our district sent experts from our facilities team to perform an inspection using a survey called the Facilities Inspection Tool, which is issued by the Office of Public School Construction.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and

- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

CAASPP Test Results in ELA and Mathematics for All Students

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 17-18	School 18-19	District 17-18	District 18-19	State 17-18	State 18-19
ELA						

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Cells with N/A values do not require data.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018-19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

2018-19 Percent of Students Meeting Fitness Standards

Grade Level	4 of 6	5 of 6	6 of 6

Note: Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

School Year 2018-19 CAASPP Assessment Results - English Language Arts (ELA)
Disaggregated by Student Groups, Grades Three through Eight and Eleven

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students				

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

School Year 2018-19 CAASPP Assessment Results - Mathematics

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement
The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):
• 	Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)
Parents are a vital component of our academic success. Parent volunteers, in and out of the classroom, provide invaluable support to our teachers and students. We have multiple programs that provide opportunities for our families to be active members of our school community. One such opportunity is Community Helpers Month. Community Helpers Month gives our parents the opportunity to talk to our students about their professional careers. We had military, paramedics, law enforcement, fire department and other professions represented. We have an active Booster and Garden Club. Parent positions on the School Site Council are filled by an election. We keep our parents informed about upcoming events, district updates, classroom bulletins, flyers, etc. through Illuminate (in both English and Spanish) and Coffee Talk with the Prinicipal. We, at Eucalyptus Hills, understand the importance of our parents and are always seeking ways to collaborate with them and to include them as much as possible.

State Priority: School Climate
The SARC provides the following information relevant to the State priority: School Climate (Priority 6):
• 	Pupil suspension rates;
• 	Pupil expulsion rates; and
• 	Other local measures on the sense of safety.

School Safety Plan
The safety of our students and staff is of utmost importance at Eucalyptus Hills. Secure gates, traffic flow, mandated visitor sign-in, lunch/recess rotations, and pick-up procedures are all determined with school safety in mind. Eucalyptus Hills is an active member of the Community Safety Committee that reviews communal safety protocol twice a year. In addition, our school partners with local fire and law officials to conduct assemblies on safety and emergency protocol. Our School Site Safety Committee is composed of the following members: 1) The principal, 2) A teacher representative, 3) At least one parent/guardian whose child attends the school, 4) One classified employee, 5) Other members if desired. (Ed Code 35294.1) This team oversees the School Safety Plan.

Eucalyptus Hills has a comprehensive School Safety Plan which serves as a unified tool that guides all parties in the event of a school emergency. The School Safety Plan is revised and reviewed by the Eucalyptus Hills Staff members at the beginning of each school year. Staff members and students practice the safety procedures outlined in the School Safety Plan to effectively and immediately respond to a natural disaster or threat. We have monthly safety drills where we practice the procedures outlined in our safety plan. Our students and school staff also meet with our local fire department and sheriff's department to promote school wide safety.

Professional Development provided for Teachers

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement			10

Professional development for the previous school years focused on the development of Transitional Kindergarten Standards and the correlating trimester benchmark assessments. The Eucalyptus Hills (EH) teachers meet in Professional Learning Communities (PLC) on a weekly basis to review student progress through common assessments. EH teachers attended a Sanford Harmony program training in addition to ongoing professional development for School Wide Positive Behavior Interventions and Supports. Professional development in the 2019-2020 school year will focus on the exploration, research, and implementation of play-based learning experiences for our students. The EH teachers have conducted research reviews on the importance of play for children and will be attending the Southern California Kindergarten conference to further develop their expertise. In addition, EH teachers engage in district-wide professional development focused on our student profile and continues in ongoing development in Math Transformations.

Types of Services Funded

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
