

Lakeside Bond Oversight Committee

Mission Statement

The mission of the volunteer independent Oversight Committee is to oversee the expenditure of money for the construction, repair, and modernization of schools by the Lakeside Union School District. The Oversight Committee communicates its findings to the Board and the public in order to ensure that school bond funds are invested as the voters intended and that projects are completed wisely and efficiently.

Vision

The shared vision between the Oversight Committee and LUSD is to build and maintain schools that promote the full development of the child. All Schools are educationally strong with updated technology, enhancing their neighborhoods through design and programming as centers of our community.

School construction and modernization will affect our children's education and our communities for generations to come. Over the next several years, millions of public and private dollars will be invested upgrading schools as well as providing our children a teaching staff with the most updated technology available as well as providing a new facelift to many of the schools that are in desperate need of modernizations.
