Impact of COVID Leaves on A Need for Substitutes

Leaves and the Impact on Critical Staffing

There are 127 Substitutes Teachers in LUSD System

- Only 20 have worked in the past 3 months
- Some have restrictions and only want to work at certain schools and/or take specific assignments (I.e. Elementary vs. Middle School)
- Others are working short/long term sub positions in LUSD or other school districts

* These scenarios contribute to the unfilled teacher positions.

Considerations when making decisions about class/school closures

CLASS CLOSURE

- Consider total number of cases in the class
- Consider number of students in the class identified as close contacts and requiring quarantine
- Consider impact to staffing of the class

SCHOOL CLOSURE

- Consider total number of cases in the school. Does it approach or meet the PH threshold of 5%?
Can we predict that the threshold will be met?
- Consider impact to staffing issues at the school
- Consult with Public Health

Recommendation for January

Goals:

1. Avoid prolonged closures and transmission amongst students and staff
2. Minimize disruptions to families and staff due to abrupt school closures

Recommendation:

- Schedule 2-week distance learning for all LUSD students
 - ◆ Weeks of Jan. 4 & Jan. 11, 2021
 - ◆ Resume in-person instruction Tuesday, January 19, 2021
