The page header includes the "illuminate education" logo and a "Language" dropdown. The main content area is titled "Lakeside Union School District" and includes a welcome message and links for students and parents. On the right side, there is a login form with fields for "Username:" (containing "jacquesdream@gmail.com") and "Password:" (with masked characters). Below the fields are buttons for "Login", "Create Account", and "Forgot Password". At the bottom of the form, there is a "Sign in with Google" button. A red arrow points from the "illuminate education" logo to the login form, and a red circle highlights the username and password fields.

If you have multiple students in the system, you must click on
