

LAKESIDE UNION SCHOOL DISTRICT HOME LANGUAGE SURVEY

The California Education Code contains legal requirements which direct schools to assess the English language proficiency of students. The process begins with determining the language(s) spoke in the home of each student. The responses to the home language survey will assist in determining if a student's proficiency in English should be tested. This information is essential in order for the school to provide adequate instruction programs and services.

As parents or guardians, your cooperation is requested in complying with these requirements. Please respond to each of the four questions listed below as accurately as possible. For each question, write the name(s) of the language(s) that apply in the space provided. Please do not leave any question unanswered. If an error is made completing this home language survey, you may request correction **before** your student's English proficiency is assessed.
