Welcome to Lakeside Union School District! Please review the following information and gather all required documentation on the checklist below to complete your student's registration. Registration for new students will be a paper registration packet, packets are available at the district office or downloaded from our website.

- Registration documents are to be completed by the legal parent/guardian of the enrolling student.
- Please PRINT neatly in blue or black ink only.
- Please be sure to complete all questions. Do not leave any blanks.
 If a question does not apply, you may mark No or N/A.
- Please be sure to use your student's legal first/last name as it appears on their birth certificate.
