

LAKESIDE UNION SCHOOL DISTRICT PARENTS' RIGHTS

Parent involvement in public schools helps students do well academically. When this involvement is combined with a partnership between the home and school, the student, the school, and the community benefit. Parents and guardians of enrolled students have the right to be included in the educational process and to have access to the system on behalf of their children. These rights are outlined in Education Codes 51100-51102.

Classroom Observing: To observe and visit their child's classroom with time and date to be arranged in advance with the school.

Teacher Conferencing: To request and meet with their child's teacher(s) or principal. Parents should contact the school to schedule a date and time convenient to all.

Volunteering: To volunteer their time and resources for the improvement of school facilities and programs under the supervision of district employees.

Student Attendance: To be notified in a timely manner if their child is absent from school without permission.

Student Testing: To receive the results of their child's performance on standardized and statewide tests and the school's performance on these tests.

School Selection: To request that their child be enrolled in any school in the district. The district is not compelled to grant the request.

Safe School Environment: To have the assurance of a safe and supportive learning environment for their child.

Curriculum Material: To examine the curriculum materials of the class(es) in which their child is enrolled.

Academic Progress: To be informed of their child's academic progress in school and of the persons to contact if they wish more information or assistance with their child.

Student Records: To have access to the school records of their child and to question anything they feel is inaccurate or misleading or an invasion of privacy with a timely response from the school district about their questions.

Standards: To receive information regarding the academic standards their child is expected to meet.

School Rules: To receive written notification of school rules, attendance policies, dress codes, and procedures for school visitations.

Psychological Testing: To receive information on all psychological testing recommended for their child.

Councils and Committees: To participate as a member of a parent advisory committee, school-site council, or site-based management leadership team in accordance with established rules and regulations for membership.
