MESSAGE CENTER

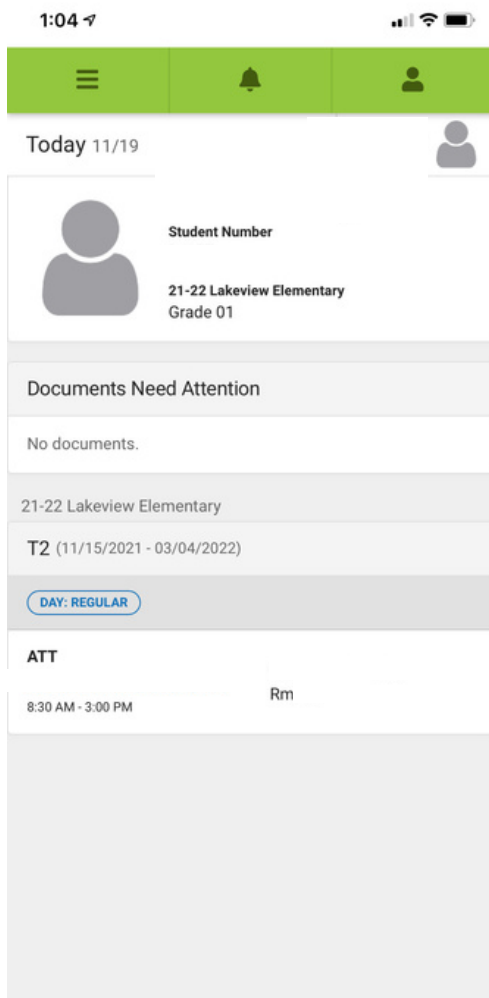

Announcements: These are sent by your district or school.

Messages: These are sent by your teacher, school, or district.

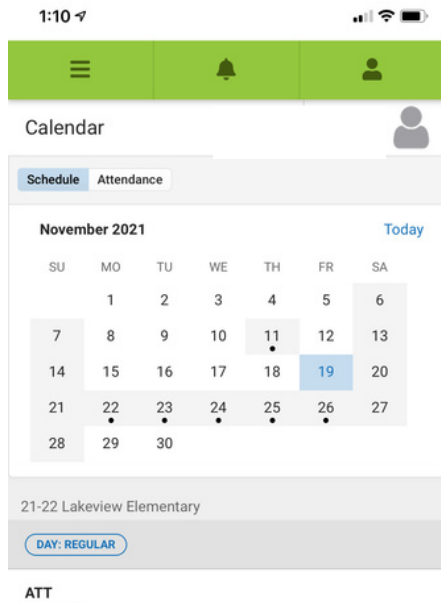

TODAY

This page lists your student's schedule for that day. It will also have any documents that you may need to view.

CALENDAR

The Calendar page shows any events and attendance.

Schedule Tab

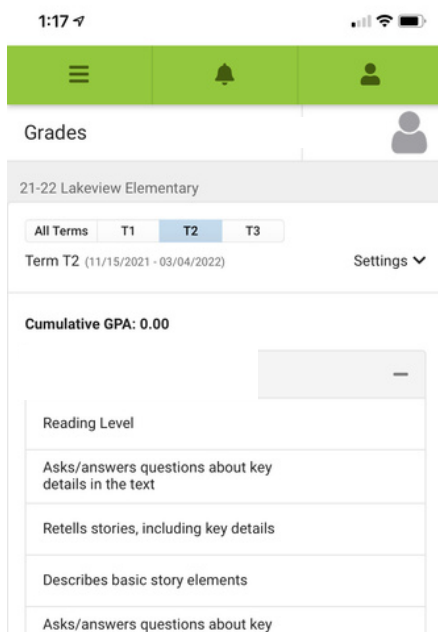

This view shows school events/holidays. If you click on a date that has a dot, you will see the events for that day.

Attendance Tab

This view shows if your student received any attendance marks, such as tardy or absent.

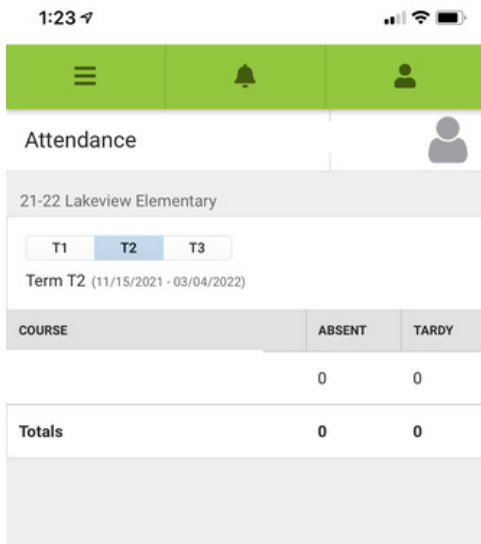

GRADES

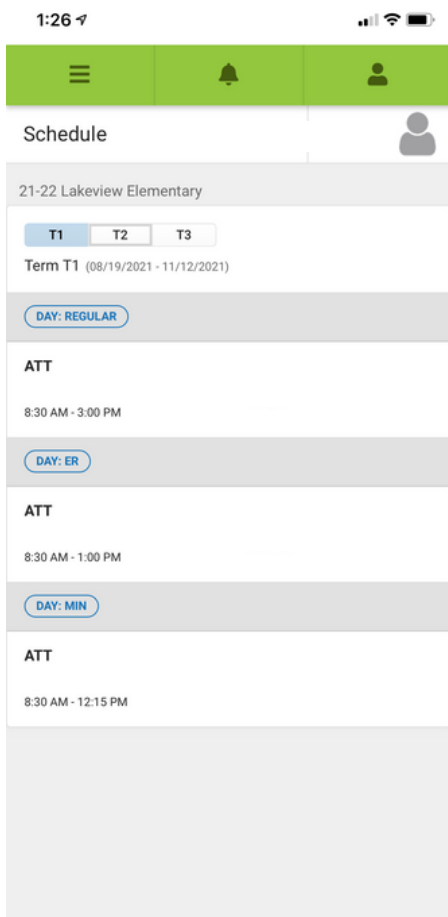

The grades page shows your student's grades. You can toggle between Trimester 1, Trimester 2, and Trimester 3. These grades will not be shown until the date that report cards are posted.

ATTENDANCE

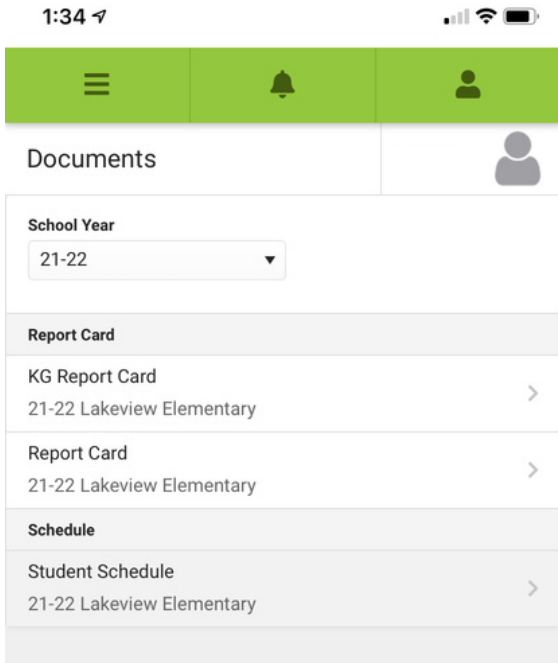

The Attendance page will show the totals for attendance for each trimester. You can toggle in between each trimester.

SCHEDULE

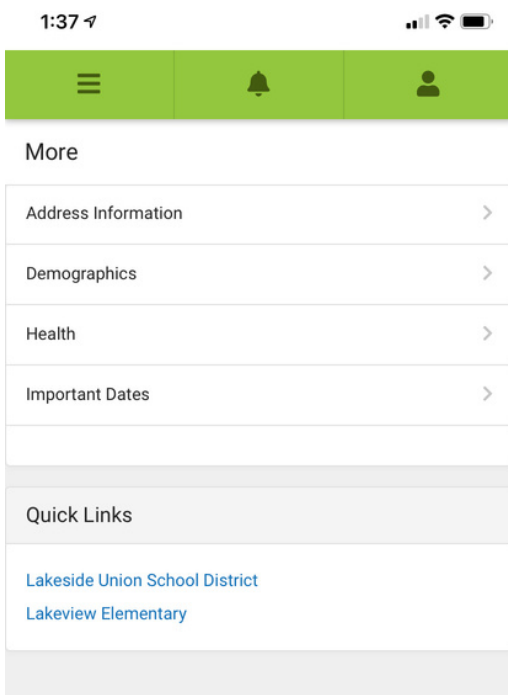

The schedule page shows your student's schedule for the trimester. You can toggle in between trimesters.

DOCUMENTS

On the documents page, you can access report cards and schedules. You can toggle in between school years.

MORE

This page has access to your student's information.

Address Information: This will show you the current address on file with the district.

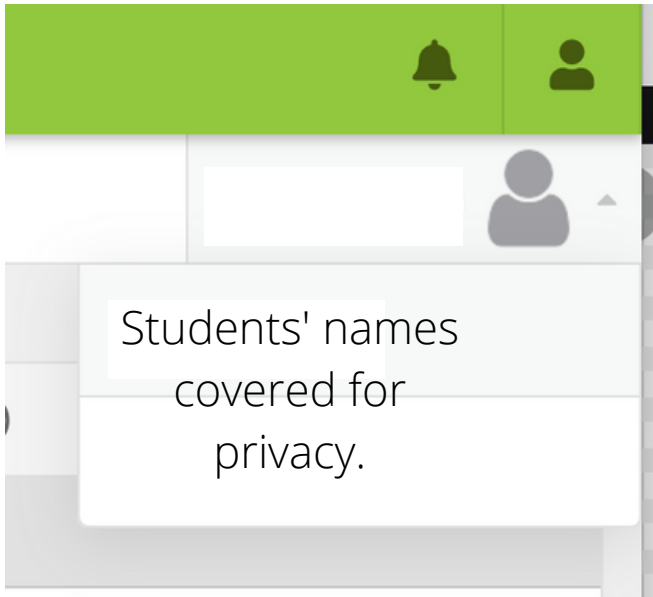

Demographics: This shows all the demographic information on file with the district.

Health: You will see both the Daily Health Log and Immunizations. The Daily Health Log shows any visits to the nurse's office. The Immunizations shows all immunizations on file.

Important Dates: This will give you any events that are on the school/district calendar.

Quick Links: These will take you to your school's and your district's website.

MULTIPLE STUDENTS

If you have multiple students in the district, you can access both in the dropdown.

Click on the person icon in the top right corner.

Your students will be displayed.

Click on the desired student.
