Accessing Digital Schools

- To Login to Digital Schools, open your internet browser and go to:

https://lsusd.digital-schools.com

- You will need to enter the information on the screen to create your credentials. Enter your Last Name, District Email (If you're a substitute, personal email that you supplied to HR), Date of Birth, last four digits of your Social Security Number, and your Home Zip Code.
- Create and set password.
- Your username is your district email. For example, ldelgado@lsusd.net. If you're a substitute, you will use your personal email that you submitted to HR.
- **This is the same procedure to use if you forget your password.**
