BOARD OF TRUSTEES GOALS 2022-2023

The Lakeside Union School District Board of Trustees affirms its continuing commitments to academic excellence, a rich and varied curriculum, the use of data to evaluate outcomes, and focus on best practices for teaching and learning. The Board has adopted Core Values that describe in detail the principles by which it governs.

Accordingly, the Board of Trustees renews its commitment to innovation and initiative to meet the individual needs of each student and attain its vision of “Igniting Passion in Today’s Students for Tomorrow’s Opportunities.” The Board honors the LCAP process and pledges the support and focus of district resources to the following goals:

Academic Achievement: All students will make academic growth in order to reach mastery of grade level standards, individual goals, and development of the LUSD Student Profile competencies. Schools will set annual goals to improve student outcomes and close achievement gaps.

The Board continues to support LUSD signature programs that build Student Profile competencies:

- Arts and Sciences: Provide opportunities and access for students to excel in the arts and sciences before, during, and after school.
- Digital Literacy: Integrate meaningful technology and digital citizenship into instruction to empower students to excel in a technology-driven world.
- Multilingualism: Support and maintain multilingual opportunities in our schools.

Social-Emotional Wellbeing: Students will receive support that enables them to thrive socially and emotionally, including the celebration of the diversity within our community and affirmation of the importance of our common humanity. Schools will set annual goals to improve the social-emotional wellbeing of students.

Innovation and Engagement: The district and school sites will pursue purposeful and innovative instructional models to foster high levels of student engagement and ensure that all students are academically challenged.
