# Reporting

*The State Board of Education (SBE) has approved the following performance standards for each of the local indicators. An LEA must do the following:*

*Annually measure its progress in meeting the requirements of the specific LCFF priority.*

*Report the results as part of a non-consent item at the same public meeting of the local governing board/body in which the LCAP is adopted.*

*Report results to the public through the Dashboard utilizing the SBE-adopted self-reflection tools for each local indicator.*

*\*An LEA must meet ALL THREE performance standards in order to receive a performance rating of “MET”*

# *Priority 1: Basic Conditions*

## *Teachers*

CDE will be responsible for reporting this data

## *Books*

Number/percentage of students without access to their own copies of standards-aligned instructional materials for use at school and at home: **0**

- Students in grades 6th-8th are required to enroll in all core curricular areas, and offer a seven period day to ensure the needs of students are met.
- World language electives, Spanish & Mandarin immersion classes, VAPA, and CTE courses are also offered for all 6th-8th grade students.

- Explore and find ways to focus more on an inclusion model at the middle school level to help EL and SWD students to access a broad course of study comparable to their gen ed peers
- Continue to prioritize the reclassification of EL students with a target goal of 5 years or less, by ensuring that ongoing monitoring of designated and integrated ELD coursework is a priority
- Implementation of the K12 SWP grant at both middle schools
