PUBLIC HEARING NOTICE

The District's Governing Board is currently elected under an "at-large" election system, where trustees are elected by voters of the entire District. Trustees are elected in even-numbered years and serve staggered, four-year terms.

On September 14, 2023, the Board adopted a Resolution declaring its intent to transition from at-large to by-trustee area Board elections, where each Board member must reside within the designated trustee area boundary, and elected only by the voters in that trustee area. The District's counsel and demographer will present information on the process and criteria for drawing the trustee-area maps, and regarding the draft trustee-area boundary maps and proposed sequence of elections. Following the presentation, the Board will hold a public hearing to receive input from the community regarding the draft maps and proposed sequence of elections, pursuant to Elections Code section 10010(a)(2), prior to the Board considering and taking action on a Resolution in this matter.

The public hearing will be held on Thursday, February 29, 2024 at a special board meeting of the Board of Trustees. Draft maps are included in the Board meeting materials, available at the District Office, and posted on the District's website at <https://www.lsusd.net/cvra/>.
