Information Items:

- **Reclassification Ceremony-** Michelle Perkins discussed the Reclassification Ceremony we annually host for our English Language Learner (ELL) students who have been recognized as proficient in English. It is a momentous occasion where we honor the hard work and dedication of these student's journey toward English proficiency. Michelle asked for input on ways to enhance our Reclassification Ceremony to ensure greater participation from our students and their families
- **Needs Assessment-** Michelle Perkins shared the Needs Assessment which will be shared with ELL Parents. This will be sent in English, Spanish, Farsi, and Arabic. By participating, parents will have the opportunity to voice opinions, concerns, and suggestions. The goal is to receive insight into ways we can improve communication with our ELL families so they feel valued and supported.
