## 2023-2024 School Accountability Report Card

(Published During the 2024-2025 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A hard copy of the School Accountability Report Card is available at your School Office, upon request.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

<b>Admission Requirements for the University of California (UC)</b>	Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state’s high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <a href="https://admission.universityofcalifornia.edu/">https://admission.universityofcalifornia.edu/</a> .
<b>Admission Requirements for the California State University (CSU)</b>	Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <a href="https://www2.calstate.edu/">https://www2.calstate.edu/</a> .

### 2024-25 School Description and Mission Statement

Riverview International Academy (RIA) is one of the nine schools of the Lakeside Union School District. RIA is a TK-5 school serving students across two campuses: Our Winter Gardens campus is in Lakeside, California, in the County of San Diego. It is a TK-1st Grade language immersion school-of-choice site with nearly 300 students that feed into our 2nd-5th grade sister campus for Riverview International Academy. The campus provides a more intimate environment for our youngest learners to thrive! Families from across San Diego County request inter-district transfers to attend our prestigious program exposing students to both Spanish and Mandarin throughout their TK-8 experience. Our bilingual program provides a rigorous language experience that empowers students with 21st-century skills to be exceptional global leaders.

## 2024-25 School Description and Mission Statement

As Southern California's Premier Mandarin and Spanish Immersion School, we are creating tomorrow's global leaders today!

The vision of Riverview International Academy (RIA) is to prepare students to thrive in a global society. Students who promote from RIA will leave with the skills necessary to communicate effectively across linguistic and cultural boundaries; see and understand the world from multiple perspectives; comprehend global affairs and events and create possibilities to address them.

### SCHOOL MISSION

The mission of Riverview International Language Academy is to ensure that students have the global competencies necessary to thrive in a global society. Namely:

- Mastery of the English language both written and verbal
- Bilingualism and biliteracy by the end of 5th grade
- Trilingual skills by the end of 8th grade
- Globally competitive competencies in mathematics and science
- Digital literacy
- Social and civic participation and leadership
- A sense of initiative and entrepreneurship
- Cultural awareness and expression

### BELIEFS

At Riverview International Academy, staff, parents, and community share the following beliefs:

Every child can learn, succeed, and attain a high level of academic achievement based on California Common Core Standards and NGSS standards

Learning is an active process of inquiry and the search for meaning and understanding

World language instruction improves a student's academic performance while promoting cultural understanding and awareness

Education fosters understanding, enabling our students to live as more peaceful, productive, and responsible global citizens

At RIA, we have built a global community that celebrates diversity and cultural understanding. We know we cannot achieve our goals without the help of our families.

### LANGUAGE IMMERSION GOALS

- 1) Language Proficiency
- 2) Academic Achievement at or above Grade Level
- 3) Cross-Cultural Understanding and Socio-Cultural Competency

## 2024-25 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Each year, the Lakeside Union School District Board of Trustees verifies by resolution that each student at Winter Gardens has a textbook and/or instructional materials for each core subject area, and that the textbooks and materials are aligned to the content and cycles of the curriculum framework adopted by the State of California. Care is taken to ensure that all students have access to Board adopted textbooks and instructional materials at all times. A book room is kept for extra copies of each textbook and these are used when new students enroll at our school. As an immersion school, we have adopted the California Wonders textbook and the Everyday Math textbook and use the Spanish versions for each. As an immersion school, supplemental materials do play a critical role in instruction.

## School Facility Conditions and Planned Improvements

The Winter Gardens campus was built in 1961 and underwent a renovation in 2014 to ensure the safety of our young students and expand our site parking. Buildings and restrooms are clean, well-equipped, and in good working order. We have a KaBoom playground and a multipurpose room with a cafeteria that were renovated in 2012. The site has also added additional new shading space and hand-washing stations.

To determine the condition of our facilities, our district sent experts from our facilities team to perform an inspection using a survey called the Facilities Inspection Tool, which is issued by the Office of Public School Construction. Based on that survey, we've answered the questions you see on this report. Please note that the information reflects the condition of our buildings as of the date of the report.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2022-23	School 2023-24	District 2022-23	District 2023-24	State 2022-23	State 2023-24
<b>English Language Arts/Literacy</b> (grades 3-8 and 11)					46	
<b>Mathematics</b> (grades 3-8 and 11)					34	

## 2023-24 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## 2023-24 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. ## CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

### B. Pupil Outcomes

#### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

## 2023-24 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT requires only participation results for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2024-25 Opportunities for Parental Involvement

Winter Gardens campus strives to foster and nurture a collaborative partnership between parents and the school. Parents are invited to partake in a multitude of enriching activities, such as rolling reader program, which encourages students to develop an immense appreciation for reading. Additionally, they may also be involved in the governance of the school by participating in School Site Council (SSC), English Learning Advisory Committee (ELAC), District Parent Advisory Committee (DPAC), or the District English Learning Advisory Committee (DELAC). Winter Gardens staff and parents participate in the LCAP process at the district and site levels to help develop goals and a plan to guide the work of the district and site. Furthermore, key school events, such as the Multicultural Fall Festival, the International Fair, monthly STEAM Challenges, Spirit Weeks, and more are all organized by our PTSA, which facilitates a strong bond between families and the school community.

Research shows there is a high correlation between parent involvement and the best schools. Riverview International Academy encourages parents to become actively involved in the school and greater community. The principal sends weekly newsletter and text messages to all parents/guardians to keep the community informed of what is happening at the school and in the community. In addition, the school maintains its official district website and a school website that serves as an information hub for parents and guardians. RIA has maintained a vibrant school community for real two-way communication between the school and families. Most staff members use district email to communicate with families. The school holds monthly parent information coffee chats called Family First Fridays to keep parents informed about assessment, curriculum, and instruction. All PTSA, ELAC, and SSC meetings, are available to the general public in person and online.

The school actively seeks out input and suggestions from parents through its parent organizations and committees. Parent input is welcomed and encouraged on school goals for its SPSA and school safety plan. The school also sends out online surveys to better understand the needs of families, such as the annual CHKS. The school recently updated its School-Home Compact as well as its parental involvement policy, based on parent input.

Winter Gardens' PTSA has gone above and beyond to help make students feel secure and confident in the classroom by creating a Comfort Closet to provide for those who may lack financial stability. Through in-person and virtual avenues, such as student performances, book fairs, Parent Panel, Parent Information Nights, and Open House, Winter Gardens Elementary School offers innovative ways for parents to be involved in their children's education.

Parental involvement is one of the most powerful driving forces behind Winter Gardens Elementary School's success, and it constantly serves as a force for good, making a difference in all students' lives. Every day, Winter Gardens celebrates and cherishes its parent's contributions to the school community, as it is only through their dedication that our students are able to thrive and reach their fullest potential. Those interested in finding out more can contact our PTSA President or Volunteer Coordinator through the school office or view our official PTSA website at <https://riaptsa.membershiptoolkit.com/>.

## 2024-25 School Safety Plan

The Winter Gardens Elementary campus is a safe and secure campus. A perimeter fence deters the entrance except in front of the office. All gates on campus are locked during instructional hours and are monitored by district staff at all times. All visitors, including parents, must sign in at the front office and be prepared to show a government-issued photo identification card. The principal, staff, and a morning and lunch campus supervisors monitor the campus consistently throughout the school day. Security cameras also help to monitor campus safety.

The Winter Gardens Elementary School Safety Plan meets the requirements of the Comprehensive School Safety Plan covering all areas designated by the state of California. The safety plan addresses emergency preparedness, the physical environment, social environment and culture, emergency/disaster procedures, and school board policy and procedures. The safety plan is broken down into four key areas: mitigation and prevention, preparedness, recovery, and response. Safety procedures including fire, disaster, and lockdown drills are practiced throughout the year. The complete plan is on file, updated annually, and available at the school office. The staff reviews the plan before school starts, and changes are made to accommodate any new staff members and then drills are practiced throughout the school year. A flip chart outlining LUSD emergency procedures is posted in each classroom and the office.

Practice and training is ongoing with safety drills varying in the type of disaster on a monthly basis. The Infinite Campus system is used for emergency communication. The system can be used with or without power from a cell phone, providing instant information to all parents. Community safety meetings are held with representatives from Winter Gardens, PTSA, Sheriff's Department, Highway Patrol, Fire Department, and San Diego County to discuss safety issues for each of the sites. These meetings are designed to bring together local police and fire officials, planning officials, district and site administration to discuss and address safety issues concerning schools.

## 2024-25 School Safety Plan

The safety plan was last reviewed and revised by the School Site Council was in September and approved on October 6, 2024. The LUSD Board of Education approved the plan on October 10, 2024.

## Fiscal Year 2023-24 Types of Services Funded

Our district relies on federal funding under Title I, Title II, Title III, and Title IV of the Every Student Succeeds Act (ESSA). The purpose of these funds is to assist districts in closing the educational gap of special populations and providing resources, professional development, and materials to improve instruction. For a more detailed analysis of services funded, refer to the LUSD LCAP on our website at <https://www.lsusd.net/>. In addition, each year each school's School Site Council (SSC) develops a School Plan for Student Achievement (SPSA). The SSC at Riverview International Academy is comprised of the principal,

## Fiscal Year 2023-24 Types of Services Funded

teachers, staff, and parents who share the goal of improving our school and our students' performance. The California Department of Education describes the SPSA as the "plan of action to improve student academic performance by coordinating all educational services and resources." The SPSA is developed by reviewing site-specific student demographic, achievement, outcome, and perception data and developing an improvement process. The SSC is the decision-making body responsible for gathering input from the staff and the parent community about school goals and establishing a plan for accomplishing those goals. The SSC reviews, modifies, and monitors the implementation of the plan and establishes a budget for proposed expenditures to support the specified goals. SPSAs are reported to the LUSD Board of Trustees annually.

Winter Garden's base LCFF site funds 21st Century-focused education that develops mastery of the Common Core State Standards, Next Generation Science standards, target language (Spanish or Mandarin instruction, and 3rd language enrichment). In addition, our immersion language program provides students the primary target language instruction with 3rd language exposure, thanks to Chinese Interns and Spanish Teachers who provide an average of 30 minutes enrichment every week. Understanding the importance of providing our language immersion teachers with the best practices, unrestricted funding is utilized to provide professional development, and Spanish/Mandarin support resources. In addition, our unrestricted funding supports arts integration within our classrooms, plus socio-emotional learning. Supplemental funding is utilized to support student interventions for Multilingual English Learners, Students with Disabilities, and Socio-economically disadvantaged students.

The major contribution to our quality instructional program also comes from family and community donations, and fundraisers. The annual district-wide Festival for the Arts fundraiser provides funding to support the arts in all schools. Through our site's annual Jog-A-Thon, Multicultural Fall Festival, International Fair, and other fundraisers, our PTSA supplements our educational opportunities by paying for high-quality assemblies, field trip opportunities, arts integration, School-wide PBIS recognition program, online support intervention programs, target language teaching materials, and other classrooms/site needs. We are a 21st Century school making it happen today!

## Professional Development

Each year, targeted professional improvement activities are provided for teachers, instructional assistants, and other employees. Activities reflect the school's goals and objectives and are part of the School Plan for Student Achievement (SPSA).

Staff development topics for the next three academic year school years are aligned with the district's and school's instructional goals and rooted in student evidence, such as CAASPP assessment data, ELPAC data, NWEA MAP data, and academic achievement accelerator data (such as Running Records and Achieve 3000). This information, in conjunction with the

## Professional Development

California Core State Standards (CCSS), establishes a need for the school's professional development plan for the next three years.

In the 2024-2025 school year, the school site focused on specialized instruction for students with disabilities and students designated as Multilingual English Learners. It continues to develop strong lessons to support designated target groups. Additionally, teacher clarity in instruction, specifically communicating a clear learning target with success criteria was a practice teachers learned about through professional learning cycles. Teachers will collect formative assessment data, participate in a Looking at Student Work protocol, and plan for re-engagement strategies. In addition, the Lakeside Union School District continues to provide ongoing support around ELD, mathematics instruction through its partnership with Math Transformations, and support with newer curricular resources, such as the materials from TCI for the district's recent adoptions.

Professional development at Riverview International Academy occurs in a variety of ways, such as grade level collaboration time, vertical cross-grade level collaboration times, individual mentoring of teachers, professional learning cycles, certificated staff meetings, classified staff meetings, all employee staff meetings, the observation-feedback cycle from the principal, and digital trainings via the online Lakeside Union School District Hub.

Teachers take some time each year to improve their teaching skills and to extend their knowledge of the subjects they teach. Professional development for certificated staff members occurs several days before school starts as well as throughout the year. Professional Development has included higher-level questioning strategies, ELA unit alignments, Mathematics performance tasks, immersion strategies and assessment, and technology. Kidwatch and Professional Learning Communities and opportunities for teachers to share data results and collaborate around best practices occur monthly.

PBIS remains in place at all sites. School Counselors continue the work of supporting the social and emotional needs of students. One intervention teacher is also available to support students with academic intervention needs. One MTSS Teacher on Special Assignment (MTSS TOSA) helps support the development of social/emotional/behavioral intervention systems at both Riverview campus and Winter Gardens campus. One district contracted mental health specialist from Wellness Together is assigned to the school to support our students' mental health needs one day a week. Professional Development and Coaching have focused on Conscious Classroom Management strategies. Conscious Classroom Teaching provides teachers with professional development and coaching on Tier I and II behavioral strategies. MTSS TOSA is also available to coach classroom management strategies and student behavior plans.

Lakeside Union School District continues to support principal growth through Professional Development and weekly Leadership Meetings. The school and Lakeside Union School District are committed to an "Everyone Grows" mentality.
