

NEWS RELEASE

**The Lakeside Union School District
Invites Parents, Staff, Residents and Community
to a Community Engagement Forum to Provide Input on
Future Capital Improvement Priorities**

April 15, 2026

Lakeside Union School District is in the process of conducting a facility planning study to help guide priorities for future capital improvements and invites residents and stakeholders to attend the upcoming community engagement forums.

Tuesday, May 19th
Lakeside Union School District Office
Board Room
3:45 & 5:30 pm

In February, Lakeside Union School District contracted with MGT Consulting, an education consulting company, to provide facility planning services. MGT will provide initial findings from their review and seek input from residents and stakeholders regarding priorities for future capital improvement funds.

Lakeside Union School District prides itself on being a leader in public education and would appreciate input from residents and stakeholders.

Please consider attending one of these forums.
