Good Morning,

Thank you for your interest in bidding on the LCES Kitchen Expansion project.

It has come to our attention that contract law requires 72 hours between the issuance of addenda and the bid date. Since one addendum will be issued today, we are rescheduling the bid date to **Friday June 5, 2026 at 2:00pm**. The District's website will also reflect this new bid opening date. The bid opening location will still be at the **LUSD District Office, 12335 Woodside Ave., Lakeside, CA 92040**.

Thank you.

Regards,

Tessie Bersamin
