The District retains the right to establish and modify the instructional calendar for students. The District retains the right to schedule, reschedule, and cancel any and all classes and instructional programs and activities. The District retains the right to increase instructional minutes to meet state requirements. The District also retains the right to hire, classify, assign, direct, transfer, evaluate, promote, demote, layoff, recall, terminate and discipline employees, and to establish and modify policies and procedures for the conduct of employees. Nothing herein is to be construed as limiting the rights employees have under this agreement and the EERA.
- 4.2** The parties agree if the District takes action under this article or other provisions of this Agreement and the Association desires to bargain the impacts and effects of said action, the Association will provide a timely bargaining proposal to the District containing the specific impacts and effects sought to be bargained in accordance with the law. The term "timely" under this provision shall mean a maximum of ten (10) District Office business days from the date that the District notifies the Association of the action. Such bargaining proposal shall not postpone implementation of the District's action under this article or other provisions of

the Agreement; however, said implementation does not automatically satisfy the District's bargaining obligation. This provision does not allow the District to violate any provisions in this Agreement or to violate any rights of employees under the California Education Code or the Educational Employment Relations Act.

- 4.3** The exercise of the foregoing powers, rights, authority, duties and responsibilities by the District, the adoption of policies, rules, regulations and practices in furtherance thereof, and the use of judgment and discretion in connection therewith, shall be limited only by the specific and express terms of this Agreement and then only to the extent such specific and express terms are in conformance with the laws of the State of California. The District additionally reserves the right to determine the impacts of any decision regarding any matters outside the scope of representation.

ARTICLE 5: ASSOCIATION RIGHTS

- 5.1 Use of Facilities.** The Association shall have the reasonable use of District facilities at reasonable times outside of duty hours, for the purpose of meetings concerning negotiations, grievance processing and/or Association business related to activities pursuant to its responsibilities under the EERA.
- 5.2 Communications.** The Association shall have the right to post notices of activities and matters of Association concern on employee bulletin boards, at least one (1) of which shall be provided in each school building in areas frequented by teachers. The Association is responsible for the content of all its information posted on the bulletin board. The Association may use the District mail service and email service and teacher mailboxes subject to reasonable rules for communication to teachers.
- 5.3 Board Agenda.** The Board agrees that the Association will be placed on the Board Agenda when a written request is presented within prescribed time limits.
- 5.4 Association Release Time - Negotiations and Grievance Processing.** All negotiating meetings will be scheduled by mutual agreement between the parties. Six (6) negotiators for the Association shall be granted released time without loss of compensation for the time of actual negotiating meetings with negotiators for the District. The Association, with the prior agreement of the Superintendent, may purchase additional released time for up to two additional negotiators for the Association. An Association representative shall be granted released time without loss of compensation to attend grievance resolution meetings scheduled during regular working hours.
- 5.5 Association Release Time.** Up to seven (7) days of paid leave per year shall be granted to the Association for the purpose of conducting Association business. The Association agrees to give written notice, whenever possible, to the immediate supervisor at least five (5) working days prior to the use of such leave.
- 5.6 Association President Release Time.** The Association President shall be granted 40% (0.4 FTE) paid release time without loss of compensation each school year. The scheduling of the release time for the upcoming school year shall be mutually agreed upon by the Association President and the immediate supervisor. The Association shall reimburse the District by paying for the cost of the 40% (0.4 FTE) teacher hired to replace the Association President at a pay rate equivalent to Class A, Step 1, on the salary schedule in effect at the time, and the Association shall reimburse the District for the costs of all statutory and health and welfare benefits, if any, provided to the replacement employee during the school year (including costs

for Medicare, state unemployment insurance, workers compensation coverage, post-employment benefits, State Teachers Retirement System contributions, etc.)

The 40% release time excludes time spent by the Association President on California Teachers' Association (CTA) business. The CTA shall reimburse the District, at the Association President's regular daily rate of pay plus the cost of all benefits including health and welfare, for additional days of release time used for CTA business. When the Association President attends to CTA business on a scheduled 40% release time day, the District will deduct any CTA reimbursement received for that day from the 40% release time invoice the District issues to the Association.

5.7 Elected Officer Release Time. The District shall, upon request, grant to any unit member who is an elected officer of the Association, or any statewide or national public employee organization with which the Association is affiliated, leaves of absence for purposes of attendance by the unit member at periodic, stated, special or regular meetings of the body on which the unit member serves as an officer without loss of compensation pursuant to the terms and conditions of Education Code section 44987 provided that:

1. A report of the duration of such leave shall be made at least three (3) days in advance by the unit member seeking the leave;
2. The District shall not pay for lodging, meals, transportation or other expenses incurred by the unit member during the leave; and
3. The Association shall reimburse the District for the compensation of the unit member during the leave.

5.8 Consult. The District shall, upon request, consult with the Association on the adoption of new curriculum, on professional development programs for unit members, and on professional learning community work, to the extent such matters are within the discretion of the District.

5.9 New Employee Orientations. The District shall provide the Association with access to scheduled orientation meetings for new employees in the bargaining unit and shall provide the Association President with at least 10 days' advance notice of such orientation meetings, except that shorter notice may be provided when there is an urgent need critical to the District's operations that was not reasonably foreseeable.

5.9.1 Orientation meetings for new employees shall normally be scheduled immediately prior to the start of school each year, to take place on the same day(s) when training and other professional development activities are scheduled, except that such orientation meetings may occur more frequently or at other times/days when there is an urgent need critical to the District's operations that was not reasonably foreseeable. The District shall inform the Association President of the time and day that such annual new employee orientations shall normally take place, and shall also inform the Association President when there is an urgent need to schedule such orientations at a different time/day.

5.9.2 The Association shall be granted one hour of uninterrupted time during orientation meetings to communicate with new employees hired to fill bargaining unit positions.

5.10 Employee Contact Information. The District shall provide the Association with the following information in electronic editable secure format for all newly hired employees within 30 days of the date

of hire, and shall provide the Association with this same information for all employees in the bargaining unit three times per year, usually at the beginning of October, February and June:

1. Name
2. Job Title/Classification
3. Hire date
4. Department
5. Work location/site
6. Work telephone number
7. Home address
8. Home phone number on file with the District
9. Personal mobile telephone number on file with the District
10. Personal email address on file with the District

5.10.1 The District will not disclose the personal contact information (items 7 through 10 above) of any employee who has elected in writing not to have their personal contact information shared with the Association.

ARTICLE 6: GRIEVANCE PROCEDURES

6.1 DEFINITIONS

6.1.1 Grievance: A "grievance" shall mean an alleged violation, misapplication or misinterpretation of a specific provision of this Agreement that adversely affects the grievant.

6.1.2 Grievant: A "grievant" shall be any member(s) of the bargaining unit including the Association or representatives thereof.

6.1.3 Grievance Representative: A "grievance representative" shall mean any Association representative selected by the grievant to assist the employee in presenting and processing the grievance. An immediate administrator with whom a grievance is filed may also choose a representative in processing grievances.

6.2 GENERAL PROVISIONS

6.2.1 Purpose: The purpose of this procedure is to attempt to secure equitable solutions to grievances. All parties agree that these proceedings will be kept informal and confidential and that the grievant and immediate supervisor should attempt to resolve the grievance at the informal level. This provision, however, shall not preclude the Association from informational efforts relating to grievances that may apply to other unit members.

6.2.2 District Right to Manage: The filing of a grievance shall in no way interfere with the right of the District to proceed in carrying out its management responsibilities subject to the final solution of the grievance. In the event the alleged grievance involves an order, requirement, or other directive, the grievant shall fulfill or carry out such order, requirement, or other directive, pending the final resolution of the grievance, except where unusual or abnormal safety hazards have been determined to exist.

6.2.3 Association Rights: The Association shall have the right to be present at all stages of the grievance procedure without obtaining the grievant's concurrence if the grievant chooses not to have the Association representation. The District agrees that it shall not dispose of a grievance above Level I until it has presented the proposed disposition to the Association, and has given the Association an opportunity to respond to the proposed disposition.

6.2.4 Witnesses: The unit member and respondent shall be entitled to include witnesses in any grievance meeting. The names of such witnesses shall be made available to the other party upon request.

6.2.5 Time Limits: Although a specific time period is provided for administrative decisions at each level of the grievance procedure, it is recognized that multiple grievance claims must be processed in a sequential manner. Consequently, at each level of the procedure, grievance claims shall be assigned consecutive numbers based upon the order in which written grievances are received.

Administrative personnel shall process such numbered grievances in a sequential manner, following a pattern that first-filed will be first-considered. Regardless of specific time periods provided for decisions at the various levels of this procedure, administrative personnel shall not be required to consider more than one (1) grievance claim per day. An employee who fails to comply with the time limits established in this procedure shall forfeit all rights to apply the grievance procedure for the alleged contract violation.

6.2.6 No Reprisals: No reprisals of any kind will be taken by any member or representative of the administration or the Board against any aggrieved person, any party in interest, any member of the Association or any other participant in the grievance procedure by reason of such participation.

6.2.7 Released Time: Representatives and witnesses required to attend grievance meetings during the workday shall be released from responsibilities without loss in compensation.

6.2.8 Grievance Forms: Grievance forms are attached to this agreement.

6.3 INFORMAL PROCEDURE

6.3.1 Level I: The unit member and the unit member's representative shall meet with the immediate administrator to discuss the potential grievance in an attempt to resolve it informally. If the potential grievance is not resolved at this level, the unit member may proceed to Level II.

6.4 FORMAL PROCEDURE

- 6.4.1 Level II:** Within twenty (20) days of the occurrence or within twenty (20) days of when the unit member could reasonably have known of the occurrence of the act or omission giving rise to the grievance, the grievant must present the grievance in writing on the appropriate form to the immediate administrator. The written grievance shall provide for a clear and concise statement of the grievance, the circumstances involved, the decision rendered and the informal conference, and the specific remedy sought.

The immediate administrator shall meet with the grievant and the grievance representative within three (3) days of receiving the written grievance. Within three (3) days of the grievance meeting, the immediate administrator shall communicate a written decision to the grievant and the Association. If the administrator does not respond within the time limits or the grievant is not satisfied with the decision, the grievant may appeal the decision to the Superintendent within 15 days.

- 6.4.2 Level III:** The Superintendent shall communicate a decision within ten (10) days after receiving the appeal. Either the grievant or the Superintendent may request a conference within the foregoing limits to discuss the grievance. Either party may be represented at the conference. If the Superintendent does not respond within the time limits, or the grievant is not satisfied with decision of the Superintendent, the grievant may appeal to the next level within fifteen (15) days.

- 6.4.3 Level IV:** If the grievant or LTA is not satisfied with the level III response, prior to the submission of a grievance to Arbitration and within fifteen (15) days of the Level III response, either the Association or the District may request that a representative from the California Mediation and Conciliation Service attempt to resolve the grievance through mediation. Mediation recommendations will be advisory to the parties.

If mediation is pursued but does not resolve the grievance, the Association, with written notice to the Superintendent, may file a Demand for Arbitration with the American Arbitration Association or the California Conciliation Service within fifteen (15) days of the final mediation meeting with the mediator.

If neither party requests mediation, the Association, with written notice to the Superintendent, may file a Demand for Arbitration with the American Arbitration Association or the California Conciliation Service within fifteen (15) days of the Level III response.

The mutual selection of the arbitrator and the arbitration proceedings shall be conducted under the voluntary Labor Arbitration rules of the American Arbitration Association.

- 6.4.4 Powers of the Arbitrator:** It shall be the function of the arbitrator to make a decision on the grievance, which shall be binding on the grievant, the District and the Association.

The arbitrator shall have no power to add to, subtract from, disregard, alter or modify any of the terms of this Agreement. The arbitrator shall have no power to resolve any claim or complaint for

which there is another remedial procedure established by the Education Code.

The fees and expenses of the arbitrator, and court reporter fees if a court reporter is requested by the arbitrator, shall be shared equally by the District and the Association. All other expenses shall be borne by the party incurring them. Either party may request a certified court reporter to record the arbitration hearing. The cost of the services and expenses of such court reporter shall be paid by the party requesting the reporter or shared by the parties if they mutually agree.

Hearings held under this procedure shall be conducted at a mutually agreed upon time and place that will afford a fair and reasonable opportunity for all persons entitled to be present to attend, with all unit members receiving released time.

ARTICLE 7: LEAVES OF ABSENCE (Amended per 2025-26 Negotiations)

7.1 SICK LEAVE. All full-time unit members shall be allowed sick leave allowance for personal illness or injury under the conditions set forth:

7.1.1 For Personal Illness:

1. **Sick Leave Allowance, Full Salary:** Unit members shall be entitled to ten (10) days sick leave with full pay for a school year of service. Unit members who may be assigned to work additional months beyond a school year of service shall be entitled to one (1) day of sick leave for each additional month worked.
2. **Sick Leave Allowance, Partial Salary:** When unit members have exhausted their annual sick leave and their accrued sick leave, they shall be entitled to partial salary sick leave in accordance with the following guideline: The accrued sick leave and the partial salary days shall total five (5) months plus one-fourth of the accrued sick leave days or the total number of accrued sick leave days plus one-fourth (1/4) of the accrued sick leave days at the differential rate, whichever is greater. The annual sick leave shall not be counted as accrued leave. In the event that a court rules that the differential pay shall be otherwise computed, this article shall be revised to be in compliance with the law. The additional days, however, shall not be used to extend a sick leave to within one (1) day of the last day of the school year. (e.g., the last two (2) days of the school year will be unpaid, unless the unit member is still within the initial five-month protected period.)
3. **Accumulation:** The number of unused days of full-pay sick leave shall accumulate without limit.
4. **Physician's Certification:** A physician's certification may be required after an illness of seven (7) consecutive days or after twenty (20) days of accumulated absences for illness in any one year.

7.1.2 Use of Sick Leave: Unit members shall be credited with, and may use, their full sick leave allowances as of the first day of their employment year even though they have not been able to

report for duty on that day, provided that the unit member notifies the school or Personnel Office of the inability to report because of illness.

7.1.3 Sick Leave without Pay: Whenever a unit member exhausts the paid sick leave allowance, the unit member shall immediately apply to the Superintendent for sick leave without pay for a definite period of time. Such sick leave without pay shall be subject to renewal for a period up to a total of twelve (12) months. In the case of application for sick leave without pay, the unit member shall supply the Superintendent with a doctor's statement. Application for sick leave, without pay, together with a statement of the physician, is to be submitted at least fifteen (15) days before exhaustion of paid sick time allowance whenever possible.

7.2 PERSONAL NECESSITY LEAVE. Personal Necessity Leave is defined as leave granted to the employee because of extenuating circumstances that cannot be disregarded and which necessitate the employee's attention. All bargaining unit members, at their election, may use up to seven days of available fully paid leave provided in Section 7.2 of this Article (sick leave) in any school year in cases of personal necessity, including any of the following:

7.2.1 The illness of a member of the unit member's immediate family.

7.2.2 An accident involving the person or property of the unit member or the person or property of a member of the immediate family of the unit member.

7.2.3 The death of a member of the unit member's immediate family.

7.2.4 Attendance at the funeral of a friend or of a relative not included in Item 7.2.3 above. Approval must be secured from the Supervising Administrator prior to leave.

7.2.5 Attendance at a special occasion involving the unit member, a relative of the unit member, or close friends of the unit member. Such absence shall be limited to three (3) days per occasion. At least seven (7) days advance written notice must be given to the Supervising Administrator prior to the actual date of absence and approval must be secured prior to the leave. This leave is by no means considered to be a vacation leave and requests for paid vacations will be denied.

7.2.6 Leave for other personal necessities may be granted by the Superintendent. The criterion used to approve such leave will be that the reasons for the leave were beyond the immediate control of the unit member and compelled the unit member's presence or participation.

7.2.7 Before the utilization of personal necessity leave an employee must obtain prior written approval from the Supervising Administrator, except for cases of 7.2.1, 7.2.2, 7.2.3, and 7.2.6 in Section 7.2 above. When the circumstances in 7.2.1, 7.2.2, or 7.2.3 arise, the employee shall make every effort to comply with District procedures to enable the District to secure a substitute.

7.2.8 Under all circumstances, an employee shall verify that the personal necessity leave was used only for purposes as set forth in 7.2. 1 through 7.2.6 above, using the district provided absence reporting system. The following limits and conditions are placed upon allowing a personal necessity leave and personal necessity leave pay:

- 1.** The days allowed shall be deducted from, and may not exceed, up to seven of the days of fully paid sick leave to which the employee is entitled.

2. Personal necessity leave will not be granted during a scheduled vacation or a leave of absence.
3. Leaves taken in accordance with 7.2.4, 7.2.5, and/or 7.2.6 shall not exceed five (5) days per year in the aggregate.

7.3 The District shall grant five (5) PERSONAL DAYS to full-time certificated bargaining members. The personal days shall be prorated for less than full-time members. The personal days may not be carried over to the next school year. The personal days shall be charged against the sick leave balance of the certificated employee. The personal days cannot be used on the District's Professional Growth Day and no more than two personal days may be used in the same week. Unit members are encouraged not to use personal days to extend a holiday, vacation, or weekend. Certificated employees wishing to use more than one consecutive personal day shall notify their supervisors in writing at least a week prior to utilization of their personal days. A certificated employee shall notify his/her site administrator at least twenty-four (24) hours before taking such leave.

7.4 **INDUSTRIAL ACCIDENT/ILLNESS LEAVE.** An employee shall be granted leave of absence with pay for an absence that is due to an industrial accident or illness in the course of employment in accordance with the following regulations:

- 7.4.1 Such leaves shall be for a maximum of sixty (60) working days per accident in any fiscal year. In the event that sixty (60) days will overlap into the next fiscal year, the employee shall be entitled to the amount of the unused leave due for the same injury or illness.
- 7.4.2 Such leave shall not accumulate-from year to year.
- 7.4.3 Salary received from the District during such leave, plus wage loss benefit checks received under Worker's Compensation laws may not exceed the employee's regular salary. Therefore, all benefit checks received by the employee under Worker's Compensation shall be endorsed to the District, and the District shall pay the employee's normal salary during the period of leave.
- 7.4.4 An employee receiving industrial accident/illness leave shall remain within the State of California unless approval is given.
- 7.4.5 An industrial accident or illness means any injury or illness whose cause can be traced to the performance of services for the Board.
- 7.4.6 An employee, who has exhausted the industrial accident/illness leave, may use regular sick leave, vacation, and any other compensated time off to cover absences caused by industrial accident/illness.
- 7.4.7 In the event a dispute arises regarding an industrial accident or illness, no leave shall be granted until a determination has been made regarding the case by the State Compensation Office of the Appeals Board. While this dispute is pending, sick leave benefits as prescribed in this agreement may be used. In the event that the dispute is resolved in favor of the employee, the District shall reinstate any used days of sick leave.
- 7.4.8 When all paid leaves of absence have been exhausted by a certificated employee as a result of industrial accident/illness, such employee shall be placed on a health leave of absence without pay.

Such leave is normally granted for one (1) year only, but may be extended for a maximum period of one (1) additional year. If an employee has not sufficiently recovered by the end of the leave period, the employee shall retire (if eligible), resign, or accept dismissal for reasons of health.

Application for reemployment for such employee will be given full consideration when accompanied by evidence of full recovery and ability to meet current employment standards. If an employee who was classified as a permanent employee is rehired within 39 months after the last day of paid service, the Governing Board shall restore all rights, benefits, and burdens of a permanent employee, as provided by law.

- 7.5 BABY BONDING/PARENTAL LEAVE.** Eligible employees may take up to 12 weeks of baby-bonding/parental leave in a 12-month period under the California Family Rights Act for the birth of a child, or the placement of a child in the family for adoption or foster care. An eligible employee may take baby-bonding/parental leave only within the first 12 months after birth or placement of the child. The parental leave will begin at the election of the employee. When both parents work for the District, parents may take a maximum combined total of 12 weeks of baby-bonding/parental leave during any 12-month period.

Eligible employees who are granted baby-bonding/parental leave under the California Family Rights Act (CFRA) for up to 12 school weeks may choose to use fully paid sick leave and/or "differential pay" extended illness leave during the 12-week period. Such sick leave and/or differential pay leave shall run concurrently with the CFRA baby-bonding/parental leave and also with the leave provided for under Education Code Section 44977.5.

Employees that have exhausted all available baby bonding/parental leave may request an additional Board approved unpaid parental leave of absence within the first 12 months after birth or placement of a child.

- 7.6 PREGNANCY DISABILITY LEAVE.** Employees are entitled to use sick leave for disabilities caused or contributed to by pregnancy, childbirth, and recovery there from under the same terms and conditions governing leaves of absence from other illness or medical disability. Such leave shall not be used for child rearing, but shall be limited to those disabilities as set forth above. The length of such disability leave, including the date on which the leave shall commence and the date on which the duties are to be resumed, shall be determined by the employee and the employee's physician but shall not exceed four (4) months. Employees are entitled to leave without pay for pregnancy disability leave when sick leave and/or differential pay extended illness leave have been exhausted. The date on which the employee shall resume duties shall be determined by the employee on leave and the employee's physician.

The employee on leave for pregnancy disability shall be entitled to return to a position comparable to that held at the time the leave commenced.

- 7.7 ADOPTION LEAVE.** All full-time certificated employees may take one (1) day of leave per school year, without loss of salary or benefits, for the purpose of legally adopting a child.

7.8 JURYDUTY/COURT ATTENDANCE UNDER SUBPOENA

- 7.8.1 Compensation:** Certificated employees shall be granted a leave of absence for jury duty or court attendance as specified in Education Code Section 44036 and shall receive as compensation the difference between the compensation received for court service, excluding travel pay, and the

employee's salary for the duration of the absence. If the unit member is released from jury duty before 11:00 a.m., he (she) shall report to his (her) administrator as soon as possible.

7.8.2 Notification of District: Upon notification of jury duty, it is the obligation of the employee to immediately inform an immediate supervisor. Bargaining unit members who are called to serve on jury duty during a school day and postpone their duty to a school recess period shall be paid the substitute daily rate for each day that they are called for jury service to fulfill the obligation that was postponed by the unit member. Bargaining unit members who postpone their duties will not be required to return the jury stipends that they receive from the government agencies to the District.

7.9 COURT APPEARANCE (OTHER THAN JURY DUTY). If an employee is subpoenaed as a witness in a case involving the school district, the employee may have time for appearance in court without loss of pay. This provision does not apply when the employee is a plaintiff against the District.

7.10 BEREAVEMENT LEAVE. A regular employee shall be granted necessary leave of absence without loss of pay not to exceed five (5) workdays on account of the death of a member of the employee's immediate family.

No deductions shall be made from the salary of an employee granted such leave, nor shall such leave be deducted from other leaves granted by the Board. All bereavement leave must be approved by the Supervising Administrator.

Immediate family members are husband/wife, mother/father, sister/brother, son/daughter, mother-in-law/father-in-law, grandfather/grandmother, son-in-law/daughter-in-law, foster child, step-parent, step-child, and any relative residing in the employee's household. Appropriate documentation may be required.

7.11 LEGISLATIVE LEAVE. A permanent employee who is elected to the Legislature shall be entitled to an unpaid leave of absence for the length of the term or terms in office.

7.11.1 Notification of District: The employee on such leave shall notify the Executive Director of Human Resources of an intended return at least twelve (12) weeks in advance.

7.11.2 Benefits: The employee on such leave shall be entitled to return to employment at the end of the leave but shall not be entitled to any of the other benefits accorded in this contract.

7.12 SABBATICAL LEAVE. An employee who has rendered satisfactory service in the-District for at least seven (7) consecutive years may be granted a sabbatical leave. This leave shall be for the purpose of full-time study and/or research projects. The employee will provide at least two (2) years of service to the District following the sabbatical. A bond to this effect must be provided by the employee.

The Board will consider granting sabbatical leaves to no more than two percent (2%) of the total number of people in the bargaining unit each year.

Sabbatical leave shall be offered in two (2) forms: one (1) full contracted year at one-half (1/2) annual salary; or one-half (1/2) contracted year at one-fourth (1/4) annual salary.

At the expiration of the sabbatical leave of absence, every effort shall be made to return the employee to the assignment the employee held immediately prior to the leave.

The employee on sabbatical leave shall enjoy the same health and welfare benefits as any other employee on full-time assignment.

All applications for sabbatical leaves must outline the proposed program, state prospective benefits to the District, and be submitted no later than February 15th preceding the school year of intended leave to the Human Resources Department, in accordance with procedures established by the Superintendent.

Applications shall be reviewed by a committee of five (5), including three (3) classroom teachers, the Assistant Superintendent (who shall chair the committee), and one (1) other District Administrator. The committee shall review all applications and render a decision in the best interest of the District. This decision by the committee will then be forwarded to the Board of Trustees for final approval.

7.13 OTHER UNPAID LEAVE (Amended per 2025-26 Negotiations) The Board may grant unpaid leave for personal or professional reasons. Such leave shall not be for a period of less than one (1) day nor shall it extend longer than one (1) school year. Such leave may be renewed at the Board's discretion for a maximum of two years in total. Requests for initial or renewed annual leave shall be submitted by February 15th, preceding the school year of intended leave to the Human Resources Department.

7.13.1 Benefits & Earned Credit: No experience credit shall be earned during the period of the leave. Unless a unit member is entitled to benefits under other articles in this agreement, the unit member shall earn no benefit entitlement during the period of the unpaid leave when such unpaid leave exceeds two months. A unit member on the leave may purchase such insurance protection as is provided to other members of the unit. Such insurance coverage shall not be interrupted and the unit member on leave shall, within the first 30 days of the leave, elect to purchase such insurance.

7.13.2 Leave of Less Than One Year: A leave of less than one year shall be deemed a temporary leave and the employee may return to the assignment held prior to the leave. A leave of one year shall have no assignment rights, either by site, grade level, or subject. A teacher on medical leave shall be given priority to the site or the grade level held prior to the leave.

7.14 FAMILYCAREANDMEDICALLEAVE

Eligibility:

To be eligible for family medical leave under the federal Family Medical Leave Act (FMLA) and/or the California Family Rights Act (CFRA), an employee must have worked at least 12 months for the District and at least 1,250 hours during the 12 months immediately before the date the FMLA/CFRA leave will begin. Full-time teachers are presumed to work 1,250 hours. These minimum eligibility requirements do not apply to pregnancy disability leave under California's Pregnancy Disability Leave law (POL). Only those statutory benefits that are in effect at the time that the employee's leave commences shall be provided. Definitions found in the applicable Acts shall prevail over definitions in this agreement.

7.14.1 Purpose: A unit member shall be entitled to an unpaid leave for a maximum of 12 workweeks in a 12-month period for:

- a) the birth or placement of a child;

- b) the care of a spouse, domestic partner, child, or parent with a serious health condition; or
- c) a serious health condition of the unit member that renders the employee unable to perform the functions of the job.

The FMLA also provides eligible employees with the right to up to 26 weeks of unpaid leave in a 12-month period for military caregiver leave and/or qualifying exigency (military) leave.

The twelve-month period shall coincide with the school year and run from July 1 through June 30.

7.14.2 Health Benefits. The district shall pay the costs of health benefits for the period of the leave. In addition, the district shall pay the cost of life insurance. The unit member shall pay the costs of dental insurance and such other optional coverage as is selected by the employee.

If the employee does not return from the leave, the employee shall reimburse the district for the premiums paid during the period of the leave (unless the failure to return is caused by a serious health condition of the employee or other circumstances beyond the employee's control).

7.14.3 Retirement Coverage. The employee shall have the opportunity to make all required contributions to the State Teacher's Retirement System during the period of the leave if done in accordance with STRS Regulations. (If no contributions are made, the period of the leave will not count as retirement service time.) Whether or not an employee makes payment into the STRS, the employee does not incur a break in district service during the time of the Family Care and Medical Leave.

7.14.4 Special Conditions and Limits.

- a) When both parents work for the District, parents may take a maximum combined total of 12 weeks of baby-bonding/parental leave for birth or placement of a child during any 12-month period.
- b) Note that "parent," for purposes of this leave, includes "biological, foster, or adoptive parents, a step parent, a legal guardian, or other person who stood *in loco parentis* to the employee when the employee was a child, or a spouse's parent." "Child" includes biological, adopted, or foster child, a stepchild, a legal ward, or a child of a person *in loco parentis*. A child must be either under 18 years of age or an adult dependent child.
- c) Foreseeable leaves should be requested 30 days prior to the commencement of the leave and within five working days from when the need for the leave first became known. Unforeseeable leaves shall be requested as soon as feasible and reasonable.
- d) If the unit member's need for a Family Care and Medical Leave is foreseeable due to a planned medical treatment or supervision, the employee shall make a reasonable effort to schedule the treatment or supervision to avoid disruption of the operations of the district.
- e) Certification by a health care provider is required for all medically related leaves. The district reserves the right to request an independent opinion from a second health care provider at the district's expense. If the opinions differ, a third medical care provider-- one who is jointly designated and paid by the district--shall make a final and binding ruling.

- f) Paid sick leave and extended differential paid sick leave will not run concurrently with any FMLA/CFRA leave for the employee's own serious health condition.

7.14.5 Leaves Terminating Near End of Contract Year:

- a) The employee must remain on Family Care and Medical Leave during the last 10 working days of the contract year if a child- or parent-related leave of more than 10 working days duration commenced during the last 25 working days of the contract year and is scheduled to terminate during those last 10 working days.
- b) The employee must remain on Family Care and Medical Leave during the remaining working days of the contract year if a child- or parent related leave of more than 5 working days duration is scheduled to terminate during the last 10 working days of the contract year.

7.14.6 Intermittent Leave. Intermittent/reduced schedule leave may be taken when medically necessary to care for a seriously ill family member, or because of the employee's serious health condition.

The minimum intermittent leave duration for baby bonding/parental leave is two weeks but the District will grant a request for baby-bonding leave of less than two weeks' duration on any two occasions.

Employees needing intermittent/reduced schedule leave for foreseeable medical treatment must schedule the leave so as not to unduly disrupt the District operations, subject to the approval of the employee's health care provider.

If an employee needs intermittent leave or a leave resulting in a reduced schedule, and the employee would be on leave for more than 20 percent of the total number of working days over the period of leave, the district may require the employee to choose either to:

Take leave for a period of a particular duration, not greater than the duration of the planned treatment; or

Transfer temporarily to an available alternative position for which the employee is qualified, which has equivalent pay and benefits and which better accommodates recurring periods of leave than does the employee's regular position.

7.15 CATASTROPHIC LEAVE (Amended per 2025-26 Negotiations)

- 7.15.1** Upon written request, the Superintendent or designee may authorize a permanent employee to donate up to a maximum of ten (10) workdays of eligible leave credits to the LTA Catastrophic Leave Bank ("Bank") pursuant to Education Code section 44043.5. The donation and receipt of such sick leave credits are subject to the following conditions:

- 7.15.1.1** "Catastrophic illness or injury" is defined to mean an illness or injury that is expected to incapacitate an employee or a member of the employee's family for an extended period

of time, which incapacity requires the bargaining unit member to take time off from work or care for that family member for an extended period of time, and taking extended time off work creates a financial hardship for the employee because he or she has exhausted all of his or her sick leave.

7.15.1.2 "Extended period of time" is defined to mean more than ten (10) consecutive workdays.

7.15.1.3 "Eligible leave credits" are defined to mean sick leave accrued to the donating employee, to the extent that the employee is otherwise eligible for such leave. An employee cannot donate future sick leave that has not been accrued, and cannot donate sick leave which will result in the employee having less than ten (10) accumulated sick leave days. Nothing in these provisions on catastrophic leave expands the purposes for which sick leave can be used under other applicable provisions of this Agreement or applicable law.

7.15.1.4 "Family member" is defined to mean the employee's spouse, domestic partner, parents, parents-in-law, siblings and children. "Parent," for purposes of this leave, includes "biological, foster, or adoptive parents, a step parent, a legal guardian, or other person who stood *in loco parentis* to the employee when the employee was a child, or a spouse's parent." "Child" includes biological, adopted, or foster child, a stepchild, a legal ward, or a child of a person *in loco parentis*.

7.15.1.5 A "day of catastrophic leave" shall be defined as the amount of dollars necessary to augment the unit member's differential pay in order that the unit member shall receive one hundred percent (100%) of his or her salary on a particular day.

7.15.2 The employee who is, or whose family member is, suffering from a catastrophic illness or injury and who is requesting that eligible leave credits be donated from the LTA Catastrophic Leave Bank:

7.15.2.1 Must request in writing to the Human Resources Department that eligible leave credits within the Bank be donated. The request must be submitted at least ten (10) days before the employee wishes to use the donated leave credits.

7.15.2.2 Must provide written verification of the catastrophic injury or illness by a physician to include the anticipated length of disability.

7.15.2.3 Must exhaust all accrued fully paid leave credits. Unit members shall not be required to exhaust differential pay/leave in order to request or use donated catastrophic leave credits.

7.15.2.4 Must use all leave credit that he or she continues to accrue on a monthly basis before receiving paid leave credits that are donated under this provision.

7.15.2.5 Withdrawals from the Bank shall be granted in units of no more than thirty (30) duty days. Unit members may submit a request for an extension of up to thirty (30) additional days.

7.15.2.6 Unit members may use approved days from the Bank intermittently in order to receive and recover from therapies and/or treatments directly related to the illness or injury for which the withdrawal from the Bank is originally approved.

7.15.2.7 Any unused days that were awarded from the Catastrophic Leave Bank shall be returned

to the Bank after confirmations for Human Resources that the employee has returned to work in a capacity that the remaining days are not needed or the employee is no longer employed with LUSD.

7.15.3 An employee who chooses to donate eligible leave credits:

- 7.15.3.1** Must provide written notice to the Human Resources Department of the intent to transfer the eligible leave credits.
- 7.15.3.2** Must donate eligible leave credits of a minimum of the definition of a total workday.
- 7.15.3.3** Must acknowledge in writing to the Human Resources Department that the employee understands that he or she cannot revoke the donation of the eligible leave credits because all transfers of eligible leave credits are irrevocable and binding. The donating employee must sign and date this acknowledgment.
- 7.15.3.4** The cumulative maximum number of workdays a requesting employee may receive is sixty (60) workdays per school year, and the maximum number of workdays donated by any employee shall be ten (10) per school year.
- 7.15.3.5** The Human Resources Department will verify eligibility to receive leave credits due to the employee's (or his or her family member's) catastrophic illness or injury. A decision that an employee is not eligible to receive donated leave credits is not subject to the Grievance Procedure. The decision may be submitted to the Superintendent and Association President for review.
- 7.15.3.6** Each donated day in the Bank shall equate to one (1) day of catastrophic leave.
- 7.15.3.7** Days in the Bank shall accumulate from year to year.
- 7.15.3.8** Days shall be contributed to and withdrawn from the Bank without regard to the daily rate of pay of the Bank participant.

ARTICLE 8: ACCOUNTABILITY (EVALUATION)

8.1 EVALUATION

Classroom teachers will be evaluated based on the California Teaching Standards. Certificated employees in non-teaching positions and other non-classroom certificated assignments (for example, speech and language pathologists, social workers, counselors, librarians, nurses, TOSAS, etc.), may have the option to use assignment appropriate professional standards in their evaluation. Each probationary and temporary certificated employee shall be evaluated at least once each school year. Each permanent certificated employee shall be evaluated every other school year unless the District and the permanent certificated employee, employed at least ten years, and whose previous evaluation rated the employee as developing or proficient, mutually agree to the performance of an evaluation every five years. If such agreement occurs, either the employee or the evaluator may withdraw from such agreement at any time. A meeting will be held to provide reasons for the return to the two-year cycle at the request of either the employee and/or the evaluator.

Any formal evaluation made pursuant to this Article shall be reduced in writing and a copy given to the unit member thirty (30) calendar days before the last school day scheduled on the calendar, or in the case of any such employee employed on a twelve-month basis no later than June 30 of the year in which the formal evaluation is made.

An employee shall have the right to initiate a written response to the formal evaluation finalized pursuant to this Article. This written response shall be placed in the permanent personnel file of the employee.

8.2 EVALUATION PROCEDURE

Components of the evaluation process:

1. Review the Evaluation Process and Documents with employee by September 30, or within 30 days of the first date of paid service for employees hired after the start of the school year.
2. Conduct Goal Setting Conference by October 15, or within 15 days of the review of the evaluation process and documents for employees hired after the start of the school year.
3. Conduct Observations as outlined in the goal setting conference (which could include scheduled, invited and/or drop-in).
4. Provide Coaching Sessions as needed (ongoing).
5. Review any Anecdotal Notes (ongoing by both educator and administrator).
6. Conduct Mid-Year Progress Conference (as needed) by February 15.
7. Conduct End-of-Year Summary Conference by May 15.
8. The end-of-year Summary Evaluation is due thirty (30) calendar days before the last school day scheduled on the calendar, or in the case of any employee employed on a twelve-month basis no later than June 30 of the year in which the formal evaluation is made.

8.2.1 GOAL SETTING

During the Goal Setting conference, the administrator and certificated employee shall mutually agree upon the selection of the standards and elements that will be the focus of the evaluation cycle. No more than two standards/goals shall be selected and they shall align with school and district goals. Only the agreed upon standards/goals are included in the final Evaluation Summary. During the Goal Setting conference, the administrator and teacher shall agree on a coaching and observation plan.

8.3 UNSATISFACTORY EVALUATIONS

If a unit member is rated "unsatisfactory" in one or more areas of the Summary Evaluation, a Detailed Assistance Plan (OAP) shall be provided to the unit member that will include an outline of specific performance goals, recommendations, strategies and formal and informal observations. Recommendations and strategies for improvement may include the PAR plan, mentoring and/or other support and assistance provided by peers.

When any permanent unit member has received an unsatisfactory evaluation, the District shall annually evaluate the unit member until the unit member achieves a proficient or developing summary evaluation or is separated from the District.

8.4 SAFEGUARDS

All monitoring or observation of the work of a unit member shall be conducted openly and with full knowledge of the unit member. The use of electronic listening or recording devices shall be prohibited except as provided for by law. Matters that may be used to evaluate a teacher shall be brought to the teacher's attention, in writing, within five (5) working days following the date when the administration becomes aware of the matter.

Although a classroom visit does not require a pre-conference or mutual agreement, an evaluator-teacher conference is required if a written summary of the visit is developed by the evaluator.

No unit member shall be evaluated by another unit member.

Evaluation of performance shall not be predicated upon any material of a derogatory or critical nature that has been received by the evaluator, or the district, from pupils, parents, citizens or other employees unless the requirements of Board Policy and Administrative Regulation 1312.1 (Complaints Concerning District Employees) have been adhered to. Evaluation of performance shall not adversely reflect lawful, non-school related activities of the unit member.

A unit member shall not be evaluated based on the results of any standardized test.

All forms used in the evaluation process shall be mutually agreed upon by the parties.

Disputed evaluations may be appealed to the Superintendent.

8.5 DISCIPLINE

8.5.1 Authority: This Article is entered into pursuant to Section 3543.2(b) of the Government Code.

- 8.5.2** Definition: A unit member shall not be disciplined without just cause. The term "discipline" under this Article shall be suspension without pay for no more than fifteen days. ARTICLE 9: SAFETY CONDITIONS OF EMPLOYMENT

Their immediate supervisor shall investigate said reported unsafe conditions and advise the employee of any findings and suggested corrective action.

- 9.3 ASSAULT/THREATS.** Whenever any employee is attacked, assaulted, or physically threatened by any pupil in person or electronically, it shall be the duty of the employee, and the duty of any supervisor who has knowledge of the incident to promptly report the incident to the appropriate law enforcement authorities. Whenever any employee is attacked, assaulted, or physically threatened by a non-pupil at work in person or electronically, a supervisor who has knowledge of the incident shall promptly report the incident to appropriate law enforcement authorities. When an administrator has knowledge of threats made against a unit member, they shall notify the unit member within 24 hours. The Superintendent shall be notified of any instance of an employee being attacked, assaulted or physically threatened in person or electronically.
- 9.4 SUSPENSION OF PUPILS.** A teacher may suspend any pupil from that teacher's class for the day of the suspension and the day following. The teacher shall immediately report the suspension to the principal of the school and send the pupil to the principal for appropriate action. Said action will not require other teachers to accept the suspended student into their classrooms as per Education Code Section 48910. Teachers shall notify parents and request a conference. The pupil shall not be returned to the class from which he or she was suspended, during the period of suspension, without the concurrence of the teacher of the class and the principal.
- 9.4.1** If a student is suspended, timely communication between administration and bargaining unit members who provide instruction must take place.

9.5 SERIOUS DISCIPLINE PROBLEMS. When, in the judgement of a unit member, a student presents a danger to self, other students, and/or school personnel, the unit member will present this information in writing to the immediate supervisor so that preventive action may be taken.

9.6 WORKERS' COMPENSATION. Unit members shall be provided coverage under the terms and conditions of the District's Workers' Compensation Program and an illness leave provision for any injury or illness arising out of or in the course of their employment.

An employee whose person is injured or damaged during the course and scope of employment by willful misconduct of a pupil or another person may request that the District initiate legal proceedings to recover damages for injury caused by the willful misconduct of that individual. ARTICLE 10: TRANSFERS AND REASSIGNMENTS (Amended per 2025-26 Negotiations)

10.1 Definitions

"Displaced employee" is defined as a permanent or probationary unit member who has been transferred or reassigned due to enrollment and/or program changes.

"Involuntary Transfer or Reassignment" is a movement which is initiated and implemented by the Superintendent or designee.

"Reassignment" is the movement of a unit member to a different assignment within the same site or in some cases within the Special Education Department District-wide.

"Seniority" shall commence on the first day of employment as a probationary employee or upon the first day of re-employment if an employee previously resigned from the District. If a previously employed permanent employee is rehired within 39 months of resigning, the break in service will be disregarded (Education Code section 44931). If an employee served one year as a temporary employee immediately prior to a year as a probationary teacher, seniority shall begin with the first day of service as a temporary employee in that year which serves as the first probationary year.

"Transfer" is defined as the movement of a unit member from one site to another.

"Vacancy" is defined as any position not currently filled by a probationary or permanent unit member after the principal has determined assignments for the upcoming school year. A leave of less than one school year shall not be considered a vacancy to be filled in accordance with the procedures in this Article.

"Voluntary Transfer or Reassignment" is a movement which is initiated and requested by the unit member.

10.2 Vacancies and Posting Procedures (Amended per 2025-26 Negotiations)

- 10.2.1** By March 31st effective the 2026-27 school year, the District shall survey all employees regarding their intention to return and their interest in a different assignment (site, subject or grade level), and the principal shall consider such survey results when making assignments in the Spring for the upcoming school year.
- 10.2.2** When a vacancy occurs at a school site, the principal will notify all unit members assigned to that site of the opening within two (2) days. Unit members at the site will have at least three (3) days after the notification of the vacancy to request a reassignment prior to that position being posted district wide.
- 10.2.3** Vacancies, at a school site, shall first be filled by qualified displaced employees. When a vacancy exists that is not filled by a displaced employee or by reassignment, the principal will advise the Human Resources Department within five (5) business days. The Human Resources Department shall then prepare a posting of all current vacancies that shall be sent to all school sites within five (5) days of being notified of a vacancy by the site administrator. The posting shall include the location, grade level or subject matter assignment, and experience and credential requirements, if necessary or specifically applicable. Such notices shall be posted at least five (5) days at the District office, and at each school site, and emailed to all District staff. Unit members desiring to apply for a transfer to those vacant positions may do so by indicating their request via an email or written

request to the Human Resources Department during the posting period. If no unit member is selected for transfer to a vacancy, then the District may recruit from outside the District.

10.2.4 These posting procedures apply to vacancies posted between April 1 and a date which is two weeks before the first day of school for students for the upcoming school year.

10.2.5 In the event a unit member is notified of a transfer to a posted vacancy and subsequently the vacancy does not materialize because of factors not under the direct control of the District or the unit member, the unit member may remain in the original position.

10.3 Voluntary Reassignment

10.3.1 Unit members requesting a reassignment shall notify the principal in writing and shall be given consideration for the position, however, displaced employees shall receive priority to fill a reassignment.

10.3.2 If a request for a reassignment is denied, then the unit member may request a meeting with the principal to discuss the reasons for such denial. An Association representative may accompany the unit member if he or she so desires.

10.4 Voluntary Transfer

10.4.1 Any unit member may request, in writing, voluntary transfer after completing one (1) year of probationary service in the District. The District shall grant requests for voluntary transfers by qualified unit members who are displaced due to enrollment and/or program changes.

10.4.2 Voluntary transfers shall be based upon whether or not the voluntary transfer serves the educational needs of the District, as determined by the Superintendent or designee.

Primary consideration for transfers shall be seniority followed by these factors:

- I. District or school site programs.
2. Skills and abilities which support special programs and/or to meet the needs of students.
3. Credentials
4. Qualifications for the position.
5. Professional training and experience.
6. Change in enrollment.
7. Seniority will be the primary consideration only for those unit members whose most recent performance evaluation is rated overall as "developing" or better.

10.4.3 If a voluntary transfer request is denied, the affected unit member may request a meeting with the Superintendent or his/her designee to discuss the reasons for such denial. Upon request, the Superintendent or his/her designee shall provide the unit member with a written statement of the reasons for the denial. The unit member may be accompanied by an Association representative if he/she so desires.

10.5 Involuntary Transfers and Reassignments

10.5.1 Involuntary transfers and reassignments shall be based upon whether or not the involuntary transfer or reassignment serves the educational needs of the District, as determined by the Superintendent or designee.

Primary consideration for transfers shall be as follows:

1. District or school site programs.
2. Skills and abilities which support special programs and/or to meet the needs of students.
3. Credentials
4. Qualifications for the position.
5. Professional training and experience.
6. Change in enrollment.
7. Operational needs.
8. Unit members with less seniority.

10.5.2 A notice of involuntary transfer or reassignment shall be given in writing to the unit member as soon as it is known. The reasons for transfer or reassignment shall be explained to the unit member by the site supervisor prior to the formal announcement.

10.5.3 An involuntary transfer or reassignment shall not result in the loss of seniority or any health or welfare benefit to a unit member.

10.6 Assignment of Temporary Teachers

Temporary teachers shall not be assigned until all vacancies and any principal directed reassignments have been filled in accordance with this article.

10.7 Reduction in Classrooms

A reduction in classrooms that results in a surplus of teachers at a site shall be resolved by first transferring staff members who volunteer to transfer and then the least senior members of the staff.

10.8 Preparation Time/Moving

If a unit member is involuntarily transferred to another site, an instruction free duty time of two (2) days (or the paid equivalent calculated at the hourly rate specified in Article 15 x 6.75 hours per day) for closing out and preparation and orientation in the receiving school shall be provided. The District shall provide transportation and the labor to move the unit member's materials to the new assignment. One day of release time will be provided for relocation at the same site for an involuntary reassignment (or the paid equivalent calculated at the hourly rate specified in Article 15 x 6.75 hours per day).

10.9 Assignment to Combination Classes

Combination classes shall not be deemed to be a permanent assignment. Whenever a combination vacancy occurs, first consideration shall be given to an employee at the site who volunteers. The principal may

assign the teacher deemed most appropriate by virtue of training and experience. No teacher may be assigned to a combination class for consecutive years except by a mutual agreement between the teacher and the principal or when the prevalence of combination classes precludes such a provision.

ARTICLE 11: HOURS OF EMPLOYMENT

11.1 LENGTH OF WORKDAY. The length of the workday for each full-time unit member, shall be six (6) hours and forty-five (45) minutes per day. Up to five additional minutes can be added to the work day as deemed necessary by the Superintendent. A duty-free lunch period of at least thirty (30) consecutive minutes shall be included in the workday. Teachers shall arrive at work and be on duty at least twenty (20) minutes prior to school starting, or at the scheduled start time of a District-wide professional growth and learning activity. Teachers may leave when their professional assignment and/or duties are completed.

11.1.1 Professional Assignments/Duties: Instruction; instructional activities; preparation activities; campus and student supervision; parent conferences and meetings, staff, departmental and faculty meetings; tutorial and guidance assistance to students; professional growth and in-service meetings; student diagnostic and assessment activities; student records activities that pertain directly to classroom instruction and attendance or as mutually agreed upon at each site; curriculum development; instructional materials development; District committee assignments, open house, back to school night or Kindergarten orientation. Teachers required to return to attend open house, parent conferences, back to school night, Kindergarten orientation or District-wide professional growth and learning activities shall be permitted to leave campus as soon as pupils are safely dismissed and their professional duties are completed, except on days when site early release meetings are held.

11.1.2 Extra-Curricular Services: Teachers shall, under the direction of the immediate supervisor, be requested to render service associated with public school observance: supervision of students at school-sponsored or approved activities. Should any of these services require duty in the evening hours, the teacher's immediate supervisor may permit unit members to leave, on the day of the event, their assigned campus as soon as pupils are safely dismissed and their professional duties are completed.

11.1.3 Student Early Release Days: On early release days, ninety (90) minutes of the two-hours following students' release will be scheduled by the District and/or site administration for activities such as meetings, training, professional development, and professional learning communities. However, one Wednesday/early release day a month will include one continuous hour of member-directed classroom development.

11.1.4 Professional Learning Communities: Professional Learning Communities are understood to be: an ongoing process through which teachers and administrators work collaboratively to seek and share learning and to act on their learning, their goal being to enhance their effectiveness as professionals for students' benefit.

PLC work will include site and grade level collaboration, district job alike collaboration, individual teacher collaboration on classroom data or instructional analysis, staff collaboration on site data, other collaboration activities appropriate for supporting the School Plan for Student Achievement

or other staff development opportunities.

11.1.5 District may convene District-wide professional learning community sessions that start after the latest school is dismissed up to four (4) times per school year. The District shall attempt to schedule these meetings to minimize wait time for teachers working at early release schools.

11.1.6 Adjunct/Curriculum Duties: All site certificated staff and the administration will jointly identify district and site adjunct duty needs which may include a time commitment during and/or after school hours. Administration and staff will encourage an equitable distribution of duties and provide the required number of staff names to complete the assignments at the site prior to June 15th, of the current school year. The adjunct duty sign-ups will be available at a staff meeting of the new school year with the date and time of that meeting posted prior to the event. An employee will not be required to serve a particular adjunct for a longer term of two (2) consecutive years, unless mutually agreed upon between the employee and the site administrator and there's no other volunteer.

Certificated staff members who do not sign up for an adjunct duty will, with the site administrator, discuss and sign up for current or alternative adjunct duties as assigned by the site administrators.

ARTICLE 12: CLASS SIZE

12.1 PUPIL-TEACHER RATIOS: The following school site pupil-teacher ratios shall be the guidelines for establishing class sizes throughout the Lakeside Union School District.

TK	12:1*
K-3	24:1
4-5	28.5:1
6-8	27.5:1
Independent Study	30: 1

Special Education: The District will comply with state requirements governing class size and caseloads in special education. If special day classes average more than 13 students, or if any one class exceeds more than 14 students, for more than ten days, the Special Education Director, teacher and administrator will meet to find a resolution and, if the issue remains unresolved, a class-size committee shall be convened to make recommendations.

*The District shall comply with TK ratios per Education Code.

12.2 SITE CLASS-SIZE COMMITTEE: When a class (K-3) exceeds 26 students or a (4-5) class exceeds 31 students for a period of seven (7) consecutive days, the class size committee shall meet within three (3) school days following the seventh day. That committee shall be comprised of the site principal, the unit member, the site representative and any other certificated staff members such as shall be mutually agreed to by the site committee. The committee may recommend a mutually satisfactory solution that may go into effect on the eleventh consecutive day of the excess class size. Such recommendation shall have the approval of the Superintendent or designee prior to implementation.

ARTICLE 13: CalSTRS REDUCED WORKLOAD PROGRAM, SHARED CONTRACTS AND PART TIME EMPLOYMENT

13.1 CalSTRS REDUCED WORKLOAD PROGRAM- PART-TIME RETIREMENT.

The Reduced Workload Program allows eligible unit members to reduce their workload to no less than half time, and receive the same credit toward retirement under the California State Teachers' Retirement System (CalSTRS) that a unit member would have received if he/she had been employed on a full-time basis. Although earnings are reduced when participating in this program, unit members and the District contribute an amount which is based upon a full-time salary.

Criteria for Eligibility for Reduced Workload Program: Approval shall be granted by the District Governing Board to eligible employees and is subject to approval by CalSTRS. Unit members are encouraged to contact CalSTRS to verify their eligibility and program requirements for the Reduced Workload Program.

- 13.1.1 Age:** The member must have reached the age of fifty-five (55) prior to the date upon which the reduced workload program is to become effective.
- 13.1.2 Duration:** Part-time service is limited to a period not to exceed five (5) years. Upon completion of the reduced workload program, unit members may with District approval return to regular full-time employment up to the maximum number of years allowed by law.
- 13.1.3 Length of Employment:** The member must have been employed full-time in a position requiring certification for a minimum of ten (10) years in the California system, of which the immediately preceding five (5) years shall be full-time employment in the District without a break in service as defined by CalSTRS regulations. The employee must have been a CalSTRS Defined Benefit member with ten (10) years of credited service.
- 13.1.4 Compensation:** Employees whose regular compensation is greater than that of a District school principal are not eligible to participate. Participating employees shall be paid a salary which is the pro rata share of the salary the employee would be earning had the employee not elected part time reduced service employment. The minimum salary paid shall be equal to one half(1/2) time service. The employee shall retain all other rights and benefits for which the employee makes the payments, including those as provided in Section 53201 of the Government Code, that would be required if the employee remained in full time employment.
- 13.1.5 Conditions of Participation:** Participating employees shall be employed for a minimum of one-half of the number of days of service of a regular full-time contract. Participating employees may split a full-time workday for purposes of calculating the minimum number of days of service required for participation by mutual agreement between the District and the employee. Participation in the reduced service program must be for a minimum duration of a full school year (mid-year participation is not permitted, participants must work the reduced schedule throughout the school year).
- 13.1.6 Retirement Credit:** Participating employees shall receive the same credit toward retirement under CalSTRS that they would have received if they had been employed on a full-time basis. Although earnings are reduced when participating in this program, unit members and the District contribute an amount which is based upon a full-time salary and unit members have the retirement allowance,

as well as any other benefits that they are entitled to, based upon the salary that the unit members would have received if employed on a full-time basis. The unit member and the Governing Board shall both contribute to the teacher's retirement fund the amount that would have been contributed if the member were employed in a full-time basis.

13.1.7 Records: The District shall maintain records to separately identify each member receiving credit pursuant to this policy. The reduced work program requires that an agreement between the District and the participating employee, requiring the employee to work at least 50% of full time employment, must be in effect prior to the beginning of the school year when the employee will participate in the program.

13.1.8 The unit member on a reduced workload will receive vacation, sick leave and all other leave benefits on a pro rata basis.

13.1.9 The unit member on a reduced workload shall receive full District health and welfare benefits as though rendering full-time service.

13.2 PART-TIME EMPLOYMENT OR SHARED CONTRACTS: Part-time employment or a shared contract may be requested by a unit member through a written notice of intent on or before February 15 of the preceding school year and may be granted at the discretion of the District. Approval of a unit member's request for a shared contract and/or part-time employment shall be predicated upon current site staffing. Partnering teachers acknowledge and agree that some professional assignments/duties, such as District-wide professional development and planning meetings, Open House, Back to School Night, and Kindergarten Orientation occur outside of the scheduled school day but nevertheless may require the attendance of both teaching partners as part of their regular duties and that compensation beyond 1.0 FTE total for the partnered teachers is not provided. No shared contract may proceed absent a conference with the site principal and a written agreement between the teaching partners including a calendar depicting the teachers' responsibilities for all professional assignments/duties for the following year.

13.2.1 A unit member who agrees to a part-time contract or shared contract will have the option to return to a full-time assignment the following year. A unit member must notify the Superintendent in writing, no later than February 15 of the intent to continue or terminate part-time status. Any permanent employee who terminates from a part-time position shall be eligible for full-time employment under the provisions of transfer.

13.2.2 A unit member accepting a part-time or shared contract assignment will have a salary that is reduced from full annual salary at the unit member's present Class and Step to a proportion of that annual salary, that is, the same proportion as the assignment, e.g., 50% salary for half-time; 40% salary for 40% time (2 days per week or 73.6 days per year).

13.2.3 A unit member on a part-time or shared contract assignment shall receive pro rata service credit for class/step advancement. Whenever the prorated portions served total 75% F.T.E., or greater, a unit member shall be credited with a year's service and advanced at the beginning of the next contract period.

13.2.4 The unit member on a part-time assignment will receive sick leave and all other leave benefits on a pro rata basis.

13.2.5 The unit member on a half-time, or greater, assignment shall receive full District health and welfare

benefits as though rendering full-time service.

13.2.6 A unit member on an assignment of less than half-time shall not receive full District health and welfare benefits but shall have the option to purchase such benefits, as provided for in Article 15.9.4.

13.2.7 Retirement allowance for unit members who share contracts shall be prorated based on their annual salary.

13.2.8 Employees on a part-time or shared contract may split a full-time workday by mutual agreement between the District and the employees.

13.2.9 No more than two shared contracts and/or part-time employment arrangements may be granted per site. However, this limit shall not preclude the District, in its discretion, from granting a third shared contract and/or part-time employment arrangement at the school site to which the Association President is assigned.

13.3 The partner teacher for all shared/STRS reduced workload contract positions shall be hired using the district hiring procedures for classroom teachers except as modified by 13.4. The partner teacher for the shared position shall be on the interview panel for the hiring process.

13.4 When an existing reduced workload or shared contract is approved for the following school year and part of the 1.0 FTE was previously filled with a temporary teacher, the portion previously filled by the temporary teacher shall not be considered a vacancy as set forth in Article I 0.2, Vacancies and Posting Procedures, unless either teaching partner requests a different partnership, the temporary teacher will not be returning to the position for the following year, or if the temporary teacher is released midyear or reassigned for the remainder of the current school year.

15.3 SALARY PROVISIONS

Unit members shall progress on the salary schedule according to the regulations set forth in this section.

15.3.1 Initial Placement on the Salary Schedule:

Initial placement on the Salary Schedule is based upon any year(s) of credited outside teaching experience, years of former District teaching experience, and degrees(s) and earned hours of formal education at an accredited institution of higher learning.

Unit members shall be granted credit for teaching experience and for degrees(s) and earned hours of formal education for initial placement on the salary schedule conditioned upon the following:

- a. Teaching experience outside the District, as well as former teaching experience in the District, will be credited up to a maximum of ten (10) years. One (1) step on the salary schedule is allowed for each year of teaching experience where the teacher actually worked full time for at least seventy-five percent (75%) of the assigned full-time school year in a school where the teacher possessed a regular public-school teaching credential.
- b. For initial placement on the salary schedule, teaching experience need not have been within the ten (10) years prior to employment with the District. Teaching experience outside the District must be verified from previous employers giving dates of service by school year. Currently employed unit members eligible to move up on the salary schedule based on teaching experience that was outside of the ten (10) year period prior to employment with the District are no longer eligible for an increase in pay based on this provision. (Historical Note: commencing April 4, 2019 eligible unit members had a six-month window during which they could submit documentation supporting upward movement on the salary schedule, effective July 1, 2017; prior to April 4, 2019 no credit was given for teaching experience before the ten (10) years prior to District employment).

- c. The unit member shall be required to file official college transcripts with the Human Resources Department in order to verify initial salary placement and to verify salary schedule advancement. Such transcripts shall be filed within 90 calendar days following the effective date of the salary placement. If a transcript is submitted after the effective date, but before October 1, the employee shall be provided an increase retroactive to the effective date. If a transcript is submitted after September 30, but before January 1 of the following calendar year, the employee shall be provided a non-retroactive increase as of the first day of the month following the date the transcript is received. If a transcript is submitted on or after January 1 of the following calendar year, the employee shall be provided an increase as of the beginning day of the next contract.
- d. Units and degrees accepted by the District for placement on the salary schedule must be from institutions approved by the Western Association of Universities and Colleges or an equivalent accreditation organization.
- e. Upon initial placement on the salary schedule, Speech Language Pathologists and Nurses shall receive up to ten (10) years of credit toward initial placement on the salary schedule for previous clinical experience. One (1) step on the salary schedule is allowed for each year of clinical experience where the eligible employee actually worked full time for at least seventy-five percent (75%) of the applicable work year. Clinical experience must be verified by previous employers. Currently employed unit members eligible to move up on the salary schedule based on clinical experience are no longer eligible for an increase in pay based on this provision. (Historical note: currently employed unit members eligible to move up on the salary schedule based on clinical experience had a six-month window from April 4, 2019 to October 3, 2019 during which they had to submit verification of experience to Human Resources. Prior to April 4, 2019 no credit for clinical experience was provided toward salary schedule advancement.)
- f. **Initial Placement for Employees Hired After January 1, 2024.** Pursuant to the authorization in Education Code section 45028(b)(1), the parties agree that any employee initially hired by the District after January 1, 2024, and only those initially hired after that date, will be credited up to a maximum of fifteen (15) years for purposes of initial placement on the salary schedule, and that the teaching experience need not have been within the fifteen (15) years prior to employment with the District. All other provisions of this Article 15.3.1, regarding the calculation of a year of experience, verification of units and degrees, timelines, etc., apply to teachers initially employed after January 1, 2024.

15.3.2 Step Advancement on the Salary Schedule:

After initial employment, a teacher may advance one step on the Salary Schedule for each year of teaching experience in the District but only if the teacher actually worked full time for at least seventy-five percent (75%) of a full-time assignment. Part-time teachers who work at least fifty percent (50%) of a full-time assignment, but less than seventy-five (75%) of a full-time assignment, may advance one step on the Salary Schedule for every two years of part-time (at least 50%) teaching experience in the District.

15.3.3 Reclassification on The Salary Schedule:

All teachers shall be placed in the appropriate classification (Column: BA, BA+15, BA+30, BA+45, BA+60, BA+75+MA) at the time of initial employment.

Any subsequent reclassification(s) upwards are based upon verified degrees(s) and earned hours of formal education at an accredited institution of higher learning. Teachers are required to provide original certified transcripts for proof of any degree(s) earned and any additional unit(s) earned. All

units will be evaluated on a semester unit basis. Hours referred to on the Salary Schedule refer to semester hours and not quarter hours so that quarter hours earned must be adjusted.

Unit members shall be compensated for graduate credit and degrees beyond the Bachelor's Degree conditioned upon the following:

- a. Application for approval shall be in writing on the appropriate District form and before May 1, if a transfer to a higher class is to be applied for the subsequent school year. All transcripts of courses for advancement on the Salary Schedule for a school year must be in the Human Resources department by September 15.
- b. Units and degrees accepted by the District for placement or movement on the salary schedule must be from institutions approved by the Western Association of Universities and Colleges or an equivalent accreditation organization.
- c. Credit will be accepted for upper division and graduate courses taken in a program for an advanced degree in education.
- d. Credit will also be accepted for specially designated, District-sponsored courses.
- e. No credit for salary advancement shall be given for any work taken during "released time" or for classes for which the District paid a fee (other than a materials fee) for the unit member.
- f. An official transcript must be submitted by the unit member or from the college at the request and responsibility of the unit member.
- g. The higher classification shall become effective on the first day of the contract period following approval of an application submitted before May 1 in the prior school year.
- h. Following receipt of all required documentation, the District shall send confirmation to unit members of the status of their application for reclassification on the salary schedule.

15.4 FLEXIBLE SPENDING ACCOUNT

The District shall implement a Flexible Spending Account plan in accordance with Internal Revenue Code Section 125 provided, however, that the District shall not be liable in whole or in part for any Flexible Spending Account monies that a unit member contributes. The District makes no representations regarding the advisability or inadvisability of participation in such an account.

15.5 TRAVEL ALLOWANCE

Authorized travel by private vehicle will be reimbursed at the approved IRS mileage rate.

15.6 SALARY DISPUTE

Any dispute pertaining to these compensation provisions shall not be subject to the grievance procedure of this Agreement and only the exclusive representative may seek a remedy on behalf of any unit member(s) concerning such implementation. In seeking a remedy as provided herein, the exclusive representative must notify the District within ten (10) days of the notice from the District of any proposed or actual (whichever occurs first) implementation of these provisions. The District will notify the exclusive representative

concerning its calculations pursuant to the compensation provisions contained herein. Such notification shall be in writing. If the exclusive representative disagrees with the calculations, it shall expressly notify the District within ten (10) days. Such notice of the disagreement shall include calculations prepared by the exclusive representative which represent the opinion of the exclusive representative of compensation to be paid under these provisions. The District may implement its proposed calculations, the proposed calculations from the exclusive representative, or attempt to resolve the disagreement. If the matter cannot be satisfactorily implemented or resolved, by mutual agreement the parties shall agree to reopen negotiations regarding salaries at which time these salary formula provisions shall be of no force or effect.
