Nothing herein is to be construed as limiting the rights employees have under this agreement and the EERA.

The parties agree if the District takes action under this article or other provisions of this Agreement and CSEA desires to bargain the impacts and effects of said action, CSEA will provide a timely bargaining proposal to the District containing the specific impacts and effects sought to be bargained in accordance with the law. The term "timely" under this provision shall mean a maximum of ten (10) District Office business days. - C. A listing of the reasons why the immediate supervisor's proposed resolution of the problem is unacceptable; and
- D. A listing of the specific actions requested of the Human Resources Director which will remedy the grievance.

14.3.3 STEP THREE: If the grievant is not satisfied with the decision at Step Two, a written request for mediation of the grievance must be submitted to the Human Resources Director within ten (10) days. In this event, the Human Resources Director shall within five (5) days submit a written request to the California State Conciliation Service for the immediate services of a mediator.

The written request for mediation of the grievance shall include a clear, concise, written statement of the reason(s) for the appeal to the mediation process. Only those written reasons included in the written statement of reasons for appeal may be submitted for consideration at any higher step of the grievance procedure.

The function of the mediator shall be to assist the parties to achieve a mutually satisfactory resolution of the grievance by means of the mediation process. At the outset of this process the mediator shall schedule and hold a mediation at which time the parties to the grievance shall submit to the mediator copies of all documents completed in conformance with the requirements at each previous grievance level. In addition, the grievant shall submit to the mediator a copy of the clear, concise, written statement of the reason(s) for the appeal to the mediation process. If a satisfactory resolution of the grievance is achieved by means of this mediation process, both parties to the grievance shall sign a written statement to the effect and thus waive the right of either party to any further appeal of the grievance.

The District and the Association have agreed that this Step Three may be waived by mutual agreement of the parties.

14.3.4 STEP FOUR: If the parties are unable to resolve the grievance at Step Three, the grievant shall request in writing a hearing for advisory arbitration. The written request shall be filed in the office of the Superintendent within five (5) days after the mediation at Step Three.

- A. The advisory arbitrator shall be selected by the two parties. If the two parties fail to reach agreement on an arbitrator within seven (7) days, the Superintendent or designee shall submit a written request to the California State Conciliation Service for a list of arbitrators. Within five (5) days of receipt of the list of

arbitrators, the parties shall alternately strike one (1) name from the list until only one (1) name remains. A flip of a coin will determine which of the parties strikes the first name.

- B. The District and the grievant will share equally any payment for the list of arbitrators and the services and expenses of the impartial advisory arbitrator. Any other expenses shall be borne by the party incurring them.
- C. The arbitrator's decision will be in writing and will set forth his or her findings of fact, reasoning and conclusion on the issues submitted. The arbitrator will be without power or authority to make any decision which requires the commission of any act prohibited by law or which violates any term of this Agreement. The decision of the arbitrator will be submitted to the Governing Board within thirty (30) days after the close of the arbitration hearing or the date for filing of briefs, whichever is later.
- D. The Governing Board alone has the power to render a final and binding determination of a grievance. The recommendation of the arbitrator shall only be advisory and, if, upon review of the written decision, the Board of Trustees determines that it is unable to render a final determination on the record, it may reopen the record for the taking of additional evidence. The decision of the Governing Board shall be issued within 60 days of receipt by the Board of the arbitrator's decision. The Governing Board's decision shall be final and binding on all parties.

ARTICLE 15: SAFETY CONDITIONS

- 15.1** The Superintendent shall be responsible for the promulgation of safety rules for all classified employees, and shall appoint a District Safety Officer to oversee the conditions of district facilities.
- 15.2 No Discrimination:** No employee shall be in any way discriminated against as a result of reporting any condition to be a violation of State or Federal law.

The Association will be provided with a copy of all CAL-OSHA and other safety inspection reports.

ARTICLE 16: TRANSFERS

- 16.1** Transfer of an employee from one position to another position not involving a change of classification may be made by the Superintendent of the District or designee, when the need arises, for the efficient operation of the District, as defined by the District. A unit member affected by such transfer shall be given notice at least seven (7) working days before the date upon which the transfer is effective.
- 16.1.1** Request for transfer may be submitted to the Human Resources Department.
- 16.1.2** The filing of a request for transfer is without prejudice to the employee and shall not jeopardize the present assignment. A request for transfer may be withdrawn by the employee, in writing, at any time prior to official notification of transfer approval.

Whenever there is a vacancy in an established position in the bargaining unit and the District has determined to fill the position with a regular classified employee, the District will post the vacancy for a minimum of five (5) district office business days to give current members of the bargaining unit the opportunity to apply for the vacant position.

- 16.1.3 Posting of Notice:** The District agrees to post notices of job vacancies for a minimum of five (5) District Office business days. All job postings shall be posted on the District website, emailed to all current classified District employee email addresses, and sent to employees who are currently in layoff at either the email address or the mailing address they identified to the Human Resources Department at the time of the layoff.
- 16.2 Lateral Transfers:** When a new position is created, or an existing position becomes vacant, the District shall offer the position to employees serving in the same job classification in the District by seniority in that classification. The District shall allow an employee who is qualified for the position to transfer, unless the District is willing to explain that the transfer is not in the best interest of the District and its efficient operation. If an employee is denied a transfer, they shall, upon request, be provided with a written explanation outlining the reason(s) for the denial. If more than one qualified employee wishes to be transferred to a particular vacancy, the employee with the greatest bargaining unit seniority shall be transferred, unless there is a special need for that particular position as indicated on the job announcement. In the event that two (2) or more qualified employees have identical seniority, the employee to fill that position shall be determined by the District. An employee may only transfer laterally once in any fiscal year. Any subsequent lateral application for transfer in that year shall be exempt from the limitation and provisions of Section 16.2.
- 16.3 Medical Transfers:** The District may give alternate work when the same is available to an employee who has become medically unable to satisfactorily perform assigned, regular job class duties. Such work may be determined through the interactive process. The alternate work may constitute promotion, or lateral transfer to a related class, but it shall be constituted only by mutual agreement of the employee.
- 16.4 Child Development Employees:** Notwithstanding the provisions of Article 16, the District reserves the right to temporarily increase the hours of Child Development Employees for up to 60 consecutive days. Child Development Personnel affected by the increase of hours pursuant to this provision are also exempt from the provisions of Article 9.7.

ARTICLE 17: LEAVES OF ABSENCE

- 17.1** A Unit member shall be entitled to take up to four (4) days of paid emergency leave annually. This leave is non-cumulative and only one (1) day for each emergency may be taken which prohibits consecutive use of days.
- Emergency leave taken pursuant to this paragraph shall not be deducted from accumulated sick leave allowance. The employee shall sign a statement certifying that leave taken was an emergency. The following events qualify as emergencies:
- 17.1.1** An accident involving the employee's person not otherwise chargeable to an illness or injury leave, or to an industrial illness leave. Such accident must be serious in nature, involve circumstances the employee cannot reasonably be expected to disregard, and require the attention of the employee during assigned hours of service.
- 17.1.2** An accident involving the employee's property or the person or property of a member of the employee's immediate family. Such accident must be serious in nature, involve circumstances the employee cannot reasonably be expected to disregard, and require the attention of the employee during assigned hours of service.
- 17.1.3** An illness of a member of the employee's immediate family, serious in nature, under the circumstances the employee cannot reasonably be expected to disregard, and which requires the attention of the employee during assigned hours of service.

17.1.4 Imminent danger to the home of an employee, occasioned by a factor such as flood or fire, serious in nature, which under the circumstances the employee cannot reasonably be expected to disregard, and which requires the attention of the employee during assigned hours of service.

17.1.5 Unit members subpoenaed to appear as a witness in court, other than as a litigant.

17.1.6 For scheduling purposes, employees should strive to provide notice at least two (2) hours before the start of the shift when feasible; however, this is not a condition of using sick leave for unforeseeable absences.

The above shall not preclude the granting of personal leave without pay after emergency leave has been exhausted.

17.2 Sick Leave: A unit member of the district shall be allowed sick leave for personal illness or injury under the conditions set forth below:

17.2.1 For Personal Illness

17.2.1.1 Annual sick leave allowance, full salary. Full-time employees shall be entitled to one (1) full day per month for each month worked with full pay depending on monthly assignment during the fiscal year of employment.

17.2.1.2 Annual sick leave allowance, partial salary. Unit members shall once a year be credited with a total of 100 working days of paid sick leave, including all days of full-pay sick leave to which they may be entitled. Such days of paid sick leave in addition to the full-pay sick leave days shall be compensated at fifty percent (50%) of the employee's regular salary.

17.2.1.3 The total unused number of full-pay sick leave days shall accumulate without limit.

17.2.1.4 If sick leave for any single and continuous illness extends into the next fiscal year, the employee shall be allowed only a total of 100 working days of paid sick leave for that single and continuous illness.

17.2.1.5 Regular ten-month unit members employed during the summer shall receive sick leave benefits on a pro rata basis.

A unit member shall be credited with, and may use, annual and accumulated sick leave allowance as of the first day of the employment year, even though the unit member has not been able to report for duty on that day, provided that the unit member notified the school or personnel office. However, new employees shall not be eligible to take more than six (6) days, or the proportionate amount to which entitled, until the first day of the calendar month after completion of six (6) months active service with the district.

17.2.2 Sick Leave Without Pay: Whenever a unit member's paid sick leave allowance is exhausted, the unit member shall immediately apply to the Superintendent for sick leave without pay for a definite period of time. Such sick leave without pay shall be subject to renewal for a period up to a total of twelve (12) months.

In case of application for sick leave without pay, the unit member shall supply the Superintendent with a physician's statement. Application for sick leave without pay, together with a physician's statement, is to be submitted at least fifteen (15) days before exhaustion of paid sick leave time allowance, whenever possible.

- 17.2.3 Proof of Illness:** If absence is more than three (3) days, or a pattern of abuse or other bonafide proof of abuse exists, a physician's certificate may be required or other proof of illness satisfactory to the District.
- 17.3 Personal Necessity Leave:** All unit members, at their election, may use up to seven (7) days of full pay leave provided under Leaves of Absences, 17.2 - Sick Leave in any fiscal year in cases of personal necessity, including for any of the following:
- 17.3.1** The death of a member of the employee's immediate family when the number of days of absence exceeds the limits provided in the Bereavement Section of this Article.
- 17.3.2** Attendance of the funeral of a friend, or of a relative not specified in the bereavement section of this article. Such absence shall be limited on one (1) day under the provisions of this policy. Approval should be secured from the Supervising Administrator prior to the leave.
- 17.3.3 Graduation or Special Ceremony.** Attendance at a special ceremony or graduation at which the unit member or a member of the unit member's immediate family is the recipient of a degree, commendation, or special award. At least seven (7) days advance notice should be given to the Supervising Administrator prior to the actual date of absence.
- 17.3.4 Other Personal Necessity Leave.** Leave for other personal necessities may be granted by the Superintendent or his/her designee. The criteria used to approve such leave will be that the reasons for the leave are beyond the immediate control of the employee and compel the unit member's presence or participation. The reason for the personal necessity leave must be specified in the request in order that a determination can be made that the nature of the leave compels an individual to be absent from assigned duties and is something more than a personal convenience to the employee or a situation created by the choice of the employee. The following limits and conditions are placed upon allowing a personal necessity leave and personal necessity leave pay:
- 17.3.4.1** The total number of days allowed in one fiscal year for such leave or leaves shall not exceed seven (7) days.
- 17.3.4.2** The days allowed shall be deducted from, and may not exceed, the number of full days of fully paid sick leave to which the employee is entitled.
- 17.3.4.3** The personal necessity leave will not be granted during a scheduled vacation or leave of absence.
- 17.3.4.4** Request for such absence shall be made to the employee's administrator or immediate supervisor. Included in the written request will be a statement indicating the nature of the leave. The administrator or supervisor shall take whatever steps are necessary to assure that a personal necessity situation within the limits of this rule does exist. After the request has been signed by the administrator or supervisor, it will be forwarded to the Superintendent or his/her designee for approval.
- 17.3.4.5** A unit member may use up to three (3) days per school year, of the seven (7) personal necessity leave days provided under this section, for personal business. These days may be used at the unit member's discretion. When foreseeable, forty-eight (48) hours' notice shall be required when using such leave on a Monday or Friday, and such leave may not be used the day prior to or after a holiday or school recess period.
- 17.4 Pregnancy Disability Leave:** Employees are entitled to use sick leave for disabilities caused or contributed to by pregnancy, miscarriage, childbirth, and recovery therefrom on the same terms and conditions governing leave of absence from other illnesses or medical disability. Such leave shall not be used for childcare, child rearing or preparation for childbirth, but shall be limited to those disabilities as set forth above. The length of such disability

leave, including the date on which the leave shall commence and the date on which the duties are to be resumed, shall be determined by the employee and the employee's physician; however, the District may require a verification of the extent of disability through a physical examination of the employee by a physician appointed by the District

The employee on leave for pregnancy disability shall be entitled to a position comparable to that held at the time the leave commenced.

Employees on unpaid leave have the right to maintain their health and welfare benefits by paying the total monthly premiums.

Employees returning from pregnancy disability leave shall give a minimum of fifteen (15) days notice to the District.

- 17.5 Parental/Baby-Bonding Leave:** Eligible employees may take up to 12 weeks of parental/baby-bonding leave in a 12 month period under the California Family Rights Act for the birth of a child, or placement of a child in the family for adoption or foster care. An eligible employee may take parental/baby-bonding leave only within the first 12 months after birth or placement of the child. When both parents work for the District, parents may take a maximum combined total of 12 weeks of parental/baby-bonding leave during any 12 month period.

Eligible employees who are granted baby-bonding/parental leave under the California Family Rights Act (CFRA) for up to 12 school weeks may choose to use fully paid sick leave and/or 50% pay extended illness leave during the 12 week period. Such sick leave and/or 50% pay leave shall run concurrently with the CFRA baby-bonding/parental leave and also with the leave provided for under Education Code Section 45196.1.

- 17.6 Leave Without Pay:** Leave of absence without pay for up to thirty (30) working days duration for valid reasons may be granted by the Superintendent upon recommendation of the appropriate supervisor. Such leave will not involve loss of position or privileges.

- 17.6.1** Leaves of absence without pay for longer than thirty (30) working days, but not to exceed one (1) calendar year, for valid reasons may be granted by the Superintendent upon the recommendation of the appropriate supervisor. If such leaves are granted, it will be with the understanding that there will be no guarantee of position reassignment at the expiration of the leave, but the employee will be given consideration for such vacancies that may occur in the employee's class. Exception to this reassignment policy may be granted for employees on leave for illness, or other urgent reasons, at the discretion of the Superintendent.

- 17.6.2** Attendance at or participation in observance of religious holidays. Absences for this purpose shall not exceed three (3) days in any fiscal year. At least seven (7) days advance notice should be given to the Supervising Administrator prior to actual dates of absences.

- 17.7 Industrial Accident/Illness Leave:** An employee shall be granted a leave of absence with pay after completion of one (1) year of service with the district for absences due to an industrial accident or illness in accordance with the following regulations:

- 17.7.1** Such leaves shall be for a maximum of sixty (60) working days per accident in any fiscal year. In the event that the sixty (60) days will overlap into the next fiscal year, the employee shall be entitled to the amount of the unused leave due him/her for the same injury or illness during the subsequent year.

- 17.7.2** Such leaves shall not be accumulative from year to year.

- 17.7.3** Salary received from the district during such leave plus wage loss benefit checks received under Workers' Compensation laws may not exceed the employee's regular salary. Therefore, all benefit checks received by the employee under Workers' Compensation shall be endorsed to the District, and the District shall pay the employee's normal salary during the period of leave.
- 17.7.4** An employee receiving industrial accident/illness leave shall remain within the State of California unless prior approval is received from the District.
- 17.7.5** An industrial accident or illness means any injury or illness whose cause can be traced to the performance of services for the district.
- 17.7.6** An employee may use regular sick leave, vacation, and other compensated time off to cover absences caused by an industrial accident/illness. Regular sick leave shall be earned during an industrial accident/illness but will be reduced by the number of days so credited if the employee cannot return to work.

When all paid leaves of absence have been exhausted by a classified employee as a result of industrial accident/illness, such employee shall be granted a leave of absence without pay for a six-month period. The District may renew the leave of absence without pay for two (2) additional six-month periods. When these leaves of absence have been exhausted, and if the employee is not medically able to assume the duties of his/her position, the employee shall, if not placed in another position, be placed on a reemployment list for a period of thirty-nine (39) months. Application for reemployment for such employee will be given full consideration when accompanied by evidence of full recovery and ability to meet current employment standards. If an employee, who was classified as a permanent employee, is rehired within thirty-nine (39) months after the last day of paid service, the District shall restore all rights, benefits, and burdens of a permanent employee, as provided by law.

- 17.8 Military Leave:** Leaves for Annual Training Duty--a unit member, upon submission of the unit member's military orders, shall be granted a leave of absence without loss of salary to report for annual active duty training.
- 17.9 Judicial Leave:** Any unit member who is required to render jury duty shall be granted temporary leave of absence for the duration of the duty served, plus travel time as ordered by the court. Such leave shall be with pay for each hour served. Any employee whose regularly assigned shift begins at 2:00 p.m. or thereafter for each hour spent in jury duty shall be relieved an hour of regular duty for that day. The hours shall be deducted from the employees shift in a manner, which is most efficient and takes into consideration the needs of the employee. The employee shall provide proof of summons in advance of jury service.
- 17.10 Bereavement Leave:** Employees shall be granted a leave with full pay in the event of the death of any member of the employee's immediate family. The leave shall be for a period of five (5) days. The immediate family is defined as husband, wife, mother, father, sister, brother, son, daughter, mother-in-law, father-in-law, grandfather, grandmother, son-in-law, daughter-in-law, grandchild, foster parent, stepparent, stepson, stepdaughter, foster son, foster daughter, brother-in-law, sister-in-law, or any relative of either spouse living in the immediate household of the employee.
- 17.11 Catastrophic Event Leave**
- 17.11.1** Upon written request, the Assistant Superintendent of Human Resources or designee may authorize a permanent employee to donate up to a maximum of ten (10) workdays of eligible leave credits to another permanent employee pursuant to Education Code section 44043.5 when that employee or employee's family member suffers from a catastrophic illness or injury. Each request will be considered on a case-by-case basis, considering both the circumstances of the employee and any operational constraints of the District. The donation and receipt of such sick leave credits are subject to the following conditions:

- 17.11.1.1** “Catastrophic illness or injury” is defined to mean an illness or injury that is expected to incapacitate an employee or a member of the employee’s family for an extended period of time, which incapacity requires the bargaining unit member to take time off from work or care for that family member for an extended period of time, and taking extended time off work creates a financial hardship for the employee because he or she has exhausted all of his or her sick leave and any other paid time off.
- 17.11.1.2** “Extended period of time” is defined to mean more than ten (10) consecutive workdays.
- 17.11.1.3** “Eligible leave credits” are defined to mean sick leave accrued to the donating employee, to the extent that the employee is otherwise eligible for such leave. An employee cannot donate future sick leave that has not been accrued, and cannot donate sick leave which will result in the employee having less than ten (10) accumulated sick leave days. Nothing in these provisions on catastrophic leave expands the purposes for which sick leave can be used under other applicable provisions of this Agreement or applicable law.
- 17.11.1.4** “Family member” is defined to mean the employee’s spouse, domestic partner, parents, parents-in-law, siblings and children. “Parent,” for purposes of this leave, includes “biological, foster, or adoptive parents, a step parent, a legal guardian, or other person who stood *in loco parentis* to the employee when the employee was a child, or a spouse’s parent.” “Child” includes biological, adopted, or foster child, a stepchild, a legal ward, or a child of a person *in loco parentis*.
- 17.11.2** The employee who is, or whose family member is, suffering from a catastrophic illness or injury and who is requesting that eligible leave credits be donated:
- 17.11.2.1** Must request in writing to the Human Resources Department that eligible leave credits be donated. The request must be submitted at least ten (10) days before the employee wishes to use the donated leave credits.
- 17.11.2.2** Must provide written verification of the catastrophic injury or illness by a physician to include the anticipated length of disability.
- 17.11.2.3** Must use all leave credit that he or she continues to accrue on a monthly basis before receiving paid leave credits that are donated under this provision.
- 17.11.3** An employee who chooses to donate eligible leave credits:
- 17.11.3.1** Must provide written notice to the Assistant Superintendent of Human Resources or designee of the intent to transfer the eligible leave credits.
- 17.11.3.2** Must donate eligible leave credits of a minimum of the definition of a total workday for the employee who is, or whose family member is, suffering from a catastrophic illness or injury and who is requesting that eligible leave credits be donated.
- 17.11.3.3** Must acknowledge in writing to the Assistant Superintendent of Human Resources or designee that the employee understands that he or she cannot revoke the donation of the eligible leave credits because all transfers of eligible leave credits are irrevocable and binding. The donating employee must sign and date this acknowledgment.
- 17.11.3.4** Although more than one employee may donate eligible leave credits to the requesting employee, the cumulative maximum number of workdays the requesting employee may receive is sixty (60) workdays per school year, and the maximum number of workdays donated by any employee shall be ten (10) per school year.

- 17.11.3.5** The Assistant Superintendent of Human Resources or designee will verify eligibility to receive leave credits due to the employee's (or his or her family member's) catastrophic illness or injury. A decision that an employee is not eligible to receive donated leave credits is not subject to the Grievance Procedure; however, the decision may be submitted to the Superintendent and Association President for review.

The panel shall include one member from CSEA who serves in the same or similar classifications as the position being filled. (Education Code 45101(a).)
- 22.1.2** "Reclassification" means the upgrading of a position to a higher classification as a result of the gradual increase of the assigned duties being performed by the incumbent in such position. (Education Code 45101(f)).

- 22.3.1** The District shall conduct a reclassification study of up to four (4) mutually agreed-upon job families identified in Article 1 (Recognition), every four (4) years, commencing with the 2025-2026 school year.
- 22.3.2** If the study recommends that a position or positions should be reclassified, the District shall report the recommendations to the District and CSEA negotiation teams. The District shall also report the findings in cases where the study indicates that no change in classification is necessary.
- 22.3.3** If the study recommends that a position or positions should be reclassified, CSEA and the District will meet and negotiate regarding the recommendation(s). If the District and CSEA reach an agreement on one or more of the recommendation(s), the agreement will be approved by both District and CSEA internal processes.

ARTICLE 23: CONCERTED ACTIVITIES

- 23.1** It is understood and agreed that there will be no strike, work stoppage, slowdown, or other interference with the operations of the District by the Association or by its officers, agents, or members of the bargaining unit during the term of this Agreement. The Board agrees that during the term of this Agreement, it will not engage in any lockout of its employees. It is also understood that the District shall be entitled to withdraw any privileges or services

provided for in this Agreement or in District Policy of any employee or employee organization that violates this Article.

ARTICLE 24: SAVINGS PROVISIONS

- 24.1** If any provisions of this Agreement are held to be contrary to law or by the PERB or a court of competent jurisdiction, such provisions will not be deemed valid and subsisting except to the extent permitted by law, but all other provisions will continue in full force and effect.
- 24.2** The parties agree to enter into good faith negotiations in order to reach agreement on that provision changed or deleted by virtue of the law or PERB ruling within thirty (30) days.

ARTICLE 25: SUPPORT OF AGREEMENT

- 25.1** The District and the Association agree that it is to their mutual benefit to support this Agreement and to encourage the resolution of differences through the meet and negotiations process. Therefore, except for those matters and time periods described in Article 27, it is agreed that the Association and District will not appear before the Governing Board to seek change or improvement in any matter subject to the meet and negotiations process, except by mutual agreement of the parties.

- 26.1 Reopener Clause:** During the 2026-2027 and 2027-2028 school years, Article 10 (Salaries) and Article 12 (Employee Benefits) shall reopen automatically provided that either party submits an initial proposal to the Governing Board no later than June 30, 2026, for the 2026-2027 school year, and June 30, 2027, for the 2027-2028 school year. Such initial proposal may also reopen two new or existing articles of each party's choice. Negotiations shall commence under this section upon fulfillment of the public notice requirements of the EERA. The terms and conditions of this Agreement shall remain in full force and effect during such negotiations.
- 26.2 Ratification of Additions or Changes:** Any additions or changes in this Agreement shall not be effective unless reduced to writing and properly ratified and signed by both parties.
- 26.3 Agreement of Parties:** This Agreement can be reopened on any Article at any time by mutual consent.

- 27.2** The Association President or designee shall be granted up to a maximum of eight (8) days per year of non-cumulative release time without loss of compensation for association business. For the 2021-2022 and 2022-2023 school years only, the Association President or designee shall be granted an additional two (2) days of non-cumulative release time without loss of compensation for association business. The provision of these additional two (2) days automatically sunsets (is no longer in effect) June 30, 2023. Whether or not a substitute is required is determined by the District.

- 27.3** Any request for release time shall be made sufficiently in advance so that the District can make appropriate arrangements to cover for an employee's absence. Prior to release time being taken, the CSEA Chapter President shall notify the immediate supervisor and Human Resources in writing twenty-four (24) hours in advance of the need to take release time and shall report such release time in the District's absence system for the purpose of tracking release time and record keeping.

ARTICLE 28: LAYOFF AND REEMPLOYMENT

- 28.1 Reason for Layoff:** Layoff of bargaining unit employees shall occur only for lack of work and/or lack of funds.
- 28.2 Notice of Layoff:** Bargaining unit employees shall be given notice of layoff as authorized by law. The District shall provide reasonable notice of any planned layoff to the Association.

- 28.4 Order of Layoff:** Pursuant to Education Code section 45308(a) classified employees shall be subject to layoff for lack of work or lack of funds. If a classified employee is laid off, the order of layoff and displacement rights shall be based on date of hire in class, plus higher classes. In the event of a tie in length of service within the class plus higher classes, the classified employee with the least District seniority shall be laid off first. If a tie still exists, layoff shall be conducted by lot in the presence of the Association President or designee.
- 28.5 Bumping Rights:** An employee laid off from his or her present class may in order to avoid layoff, bump into the next lowest class in which the employee has greatest seniority. The employee may continue to bump to lower classes to avoid layoff.
- 28.6 Layoff in Lieu of Bumping:** An employee who elects a layoff in lieu of bumping maintains reemployment rights under this agreement.
- 28.7 Reemployment Rights:** Employees who have been laid off because of lack of work and/or lack of funds are eligible for reemployment for a period of thirty-nine (39) months. During that time and in accordance with their seniority within the class in which the vacancy occurs, they will be reemployed in preference to new applicants. If the employee refuses a reemployment offer, he/she shall not be eligible for further preferred consideration. A refusal shall not preclude an employee from future employment with the District. Reemployment shall be made in the reverse order of layoffs within each job classification. Those employees in the bargaining unit who have completed a probationary period shall be reemployed without having to serve an additional probationary period.
- 28.8 Voluntary Demotion or Voluntary Reduction in Hours:** Employees who take voluntary demotions or voluntary reductions in assigned time in lieu of layoff shall be, at the employee's option, returned to a position in their former class or to positions with increased assigned time as vacancies become available, and with no time limit, except that they shall be ranked in accordance with their seniority on any valid reemployment list.
- 28.9 Retirement in Lieu of Layoff:** Any employee in the bargaining unit may elect to accept a service retirement from the Public Employees Retirement System shall be placed on an appropriate reemployment list. The District shall notify the Board of Administration of the Public Employees Retirement System of the fact that retirement was due to layoff for lack of work and/or lack of funds. If the employee is offered, and accepts in writing, an appropriate vacant position, the District shall maintain the vacancy until the Board of Administration has properly processed the employee's request for reinstatement from retirement.

- 28.9.1** An employee subject to this Section who retires and is eligible for reemployment and who declines an offer of reemployment equal to that from which laid off shall be deemed to be permanently retired.
- 28.10** The District will prepare a seniority roster consistent with Article 28.4. Thereafter, at least once per school year and at least sixty calendar (60) days prior to any classified layoff the District will make available to the Association an updated seniority roster.
- 28.11 Notification of Reemployment Opening:** Notification of recall shall be made by personal contact or certified mail to the employee's last known mailing address. The employee must indicate acceptance of the job offer within five (5) District Office business days after receipt of the notification, and arrange the time for the unit member's return to work. The unit member must, however, be available within fifteen (15) District Office business days of receipt of the notice.
- 28.12 Improper Lay Off:** Any employee who is improperly laid off shall be reemployed immediately upon discovery of the error and shall be reimbursed for all loss of salary and benefits.
- 28.13 Impacts and Effects:** The District and the Association agree that the above provisions in this Article represent the agreement between the parties concerning layoff, voluntary reduction in hours in lieu of layoff and the impacts and effects of such matters. At such pre-disciplinary meeting the classified employee shall be granted a reasonable opportunity to make any representations or present any documents the classified employee believes are relevant to the case,
 - 29.4.7** A statement that the classified employee, upon written request, is entitled to an evidentiary hearing before the Board or a hearing officer designated by the Board before any disciplinary action is final,
 - 29.4.8** A statement that the proposed disciplinary action may commence after the five (5) District office business day period following the date that written notice of the outcome of the pre-disciplinary Skelly conference is provided to the employee, or in the event that no pre-disciplinary Skelly conference is requested, the discipline may commence within fifteen (15) District office business days following the date the written notice of proposed discipline was served. A statement that no evidentiary hearing shall be held unless a written request is delivered to the Superintendent or designee within fifteen (15) District office business days after the date the written notice of proposed disciplinary action was served, and

The classified employee shall have a right to appear in person, with counsel at the employee’s expense or such other lawful representation as determined by the classified employee. The District will have the burden of proof and shall first present evidence. Normal procedures shall be followed; i.e., charging party presentation, defense cross-examination, defense presentation, charging party cross-examination and rebuttal evidence from each party. Hearings will be recorded at the request of either party with such expense being borne by the requesting party, or the District will share equally with the employee or representative the costs of the court reporter, transcribing the record of the hearing, and for a copy of the official transcript.
