Categories of Employment

The Certificated Employee:

The Certificated Employee works in a position that requires a credential issued by the California Commission on Teacher Credentialing. Certificated positions include classroom teachers, specialists, librarians, nurses, counselors, psychologists, and administrators.

The Classified Employee:

Most positions not requiring teaching or related credentials are termed “classified”. Such positions are termed “classified” because they are grouped according to the type of job duties and level of responsibility. Classified employees work in such diverse jobs as: Secretary, Custodian, Bus Driver, School Clerk, Food Service, Special Education Assistant, Campus Student Supervisors, etc.

Probationary Period/Evaluations

Classified Employees

The first six months of employment is considered your probationary period. During this time employment is at will, and you or the District can terminate the working relationship at any time.

During your probationary period, your supervisor will evaluate your performance at 3 months, 6 months and 12 months.

Certificated Employees

All certificated employees shall be evaluated on an annual basis during their probationary period. Permanent certificated employees who receive ratings that are less than satisfactory shall be evaluated annually. Other permanent certificated employees shall be evaluated on a biennial basis. The certificated employee’s evaluation shall be conducted by his/her immediate supervisor or designee.

Employee Expectations

Dress Code

The Governing Board believes that appropriate dress and grooming by district employees contribute to a productive learning environment and model positive behavior. During school hours and at school activities, employees shall maintain professional standards of dress and grooming that demonstrate their high regard for education, present an image consistent with their job responsibilities and assignment, and not endanger the health or safety of employees or students. All employees shall be held to the same standards unless their assignment provides for modified dress as approved by their supervisor.

The district shall allow employees to appear and dress in a manner consistent with their gender identity or gender expression. (Government Code 12949)

(cf. 0410 – Nondiscrimination in District Programs and Activities)

(cf. 4030 – Nondiscrimination in Employment)

(cf. 4119.11/4219.11/4319.11 – Sexual Harassment)

The district shall not discriminate against employees based on hair texture and protective hairstyles, including, but not limited to, braids, locks, and twists. (Government Code 12926)

The district shall not dismiss an employee, discriminate against an employee in compensation or in terms, conditions, or privileges of employment, or refuse to hire a job applicant on the basis of religious dress or grooming practices. (Government Code 12926, 12940)

This policy shall be presented to employees upon employment, through the employee handbook or other appropriate means, and may be periodically reviewed with all employees as necessary.

Cell Phone Use

Cell phones should be turned off during working hours. Ringing cell phones are a distraction to students and other employees. Personal calls/texts should only be made during breaks and lunches. In the event of a demanding and immediate emergency, flexibility will be provided.

Workers' Compensation

Being hurt on the job is an unpleasant experience for anyone, whether the injury is slight or serious. In addition to the injury itself, there may be other concerns you may have about medical treatment and financial loss. The California Workers' Compensation Law requires that every employer provide its employees with Workers' Compensation coverage. This coverage guarantees prompt benefits to employees injured on the job or incurring a job-related illness. Benefits are in the form of medical care, temporary disability benefits, and may include permanent disability awards.

Workers' Compensation coverage begins the first minute you are on the job and continues any time you are working. You do not have to be employed for a certain length of time, nor do you have to earn a certain amount in wages before you are protected.

If you are injured on the job and prefer to use your own doctor, you must fill out the "Pre-designation of Personal Physician" Form so that it is on file with the San Diego County Office of Education. This form can be found in your Employment Packet.

For more information and to download forms, please visit <http://www.sdcoe.net/business-services/risk-management/Pages/workers-compensation-forms.aspx>

If you do not have access to a computer, the Lakeside Union School District will give you a Workers' Compensation Handbook upon request.

Reporting Child Abuse

California Law requires employees of a public school's district to report known or suspected instances of child abuse to a child protective agency immediately or as soon as practically possible.

No employee shall be civilly or criminally liable for any required or authorized report of child abuse. Any person who fails to report is guilty of a misdemeanor and is punishable by confinement in the county jail for a term not to exceed six months and a fine of not more than \$1,000 or both.

To see the full text of the law establishing your responsibility, please see Appendix A on page 19.

Every employee must complete training as a California Mandated Reporter each school year. The training is available on the JPA Learning website. Contact the Human Resources department for your login information.

Sexual Harassment

It is the policy of the Lakeside Union School District to provide a school environment free from all forms of harassment, including sexual harassment, and to maintain an environment in which all employees model this behavior and are treated with dignity and respect.

No person shall be subjected to sexual overtures or conduct either verbal, visual or physical which are intimidating, hostile, offensive, or unwelcome. Such conduct by employees is deemed unacceptable and unlawful behavior and will not be tolerated by the School District.

“Sexual harassment” is defined as conduct of a sexual nature which affects an individual's employment or progress; which has a negative impact on an individual's work; which creates a work environment that is intimidating, hostile, or offensive; or which affects benefits, services, or activities available to an individual in the work setting.

Please see Appendix B on page 27 for the full policy as well as the reporting and resolution procedures.

Discrimination

The Governing Board is committed to equal opportunity for all individuals in education. District programs and activities shall be free from discrimination based on sex, race, color, religion, national origin, ethnic group, marital or parental status, physical or mental disability, sexual orientation, gender identity, or any other unlawful consideration, whether actual or perceived. The Board shall promote programs which ensure the elimination of any discrimination in all District activities. (Const. art. I, § 28.; Ed. Code § 201(b).)

All educational programs, activities and employment practices shall be conducted without discrimination based on sex, race, color, religion, national origin, ethnic group, marital or parental status, physical or mental disability, sexual orientation, gender identity, or any other unlawful consideration, whether actual or perceived. (Education Code § 221.5.) All persons affiliated with the school, including students, staff, and parents, should treat all persons equally and respectfully and refrain from the willful or negligent use of slurs against any person based on sex, race, color, religion, national origin, ethnic group, marital or parental status, physical or mental disability, sexual orientation, gender identity, or any other unlawful consideration, whether actual or perceived.

Drug Free Workplace

The Lakeside Union School District adheres to the requirement set forth in the federal Drug-Free Work Place Act of 1988. To comply with the requirement, we call your attention to the following:

1. The unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace. Any employee judged to be in violation of that restriction will be formally reprimanded, disciplined or dismissed in accordance with the severity of the misconduct and in accordance with existing bargaining agreements and/or District policies.
2. During your employment, from time to time, you will be made aware of the dangers of drug abuse and our policies regarding the maintenance of drug-free workplace.
3. Drug counseling, rehabilitation and employee assistance programs are available through Project EASE (call 619-277-3273 or 1-800-722-3273).
4. Continued employment is conditional upon your adherence to the prohibitions cited in Item 1 above, and your compliance with the provision that you notify the District within five days of any conviction for violation of any criminal drug statute occurring in the workplace. (Such notice will be forwarded to the appropriate federal agency within ten days of receipt. Within 30 days of such notice we will either take a personnel action (such as noted in Item 1) or we will require you to participate satisfactorily in an approved drug abuse assistance or rehabilitation program.)

Smoke Free Workplace

The Board of Trustees recognizes the evident health hazards in the use of tobacco products and the rising trend in society to control or eliminate the use of these products in public buildings and surrounding areas. The Board also recognizes the validity of the Surgeon General's opinion that secondary, as well as primary, exposure to smoking is a health hazard. It is the intent of the Board to provide a smoke free workplace and to keep all areas used by students free from smoking in order to provide the healthiest environment possible.

The Board of Trustees also encourages the implementation of programs to assist both employees and students in becoming and remaining non-smokers.

This policy is not a punitive measure, nor does it try to dictate whether adults may or may not smoke. However, the policy does tell adults they do not have the District's permission to smoke or use tobacco products on District property or in District vehicles.

Smoking and the use of tobacco products by any person is prohibited on sites and in vehicles owned and/or operated by Lakeside Union School District Schools.

The tobacco-free policy includes buildings, grounds, school sponsored events and services provided by employees off campus.

Universal Precautions & Blood borne Pathogens

Universal precautions are techniques used in all situations where blood or body fluids are present and are not limited to use with individuals known to be carrying a specific virus such as HIV or the virus causing Hepatitis B. In the school setting, those precautions should include: hand washing, using gloves, careful trash disposal, and using disinfectants.

Certain pathogenic microorganisms can be found in the blood of infected individuals. These “blood borne pathogens” may be transmitted from the infected individual to other individuals by blood or certain body fluids. The two most significant blood borne pathogens are the Hepatitis B Virus (HBV) and the Human Immunodeficiency Virus (HIV). It is not always possible to know when blood or body fluids are infectious. Therefore, all body fluids shall be handled as if infectious.

Please see Appendix C, beginning on page 32, for the “Universal Precautions & Exposure Control Plan for Blood borne Pathogens”.

1. Unwelcome verbal conduct such as sexual flirtations or propositions; graphic comments about an individual's body; overly personal conversations or pressure for sexual activity; sexual jokes or stories; unwelcome sexual slurs, epithets, threats, innuendoes, derogatory comments, sexually degrading descriptions, or the spreading of sexual rumors

Such training shall include the procedures for reporting and/or filing complaints involving an employee, employees' duty to use the district's complaint procedures, and employee obligations when a sexual harassment report involving a student is made to the employee.

Every two years, the Superintendent or designee shall ensure that supervisory employees receive at least two hours of classroom or other effective interactive training and education regarding sexual harassment. All newly hired or promoted supervisory employees shall receive training within six months of their assumption of the supervisory position. (Government Code [12950.1](#))

3. A component on the prevention of abusive conduct that addresses the use of derogatory remarks, insults, or epithets, other verbal or physical conduct that a reasonable person would find threatening, intimidating, or humiliating, and the gratuitous sabotage or undermining of a person's work performance

4. A copy of the district's sexual harassment policy and administrative regulation, which each participant shall acknowledge in writing that he/she has received

Regulation LAKESIDE UNION SCHOOL DISTRICT

approved: September 12, 2012 Lakeside, California

revised: February 11, 2016

The Social Security Fairness Act, signed by President Joe Biden on Jan. 5, 2025 will increase retirement benefits for many educators and other public sector workers, including nearly 290,000 in California. The act

repeals both the Windfall Elimination Provision and Government Pension Offset laws, which reduced Social Security benefits for workers who are entitled to public pensions, such as firefighters, police officers and teachers, according to the Social Security Department.

The change in the laws does not mean that California teachers, who do not pay into Social Security, will all get benefits. Instead, teachers who paid into Social Security while working in non-teaching jobs will be eligible for their full Social Security benefits, as will those eligible for spousal and survivor benefits. Teachers who had previous careers, or who worked second jobs or summer jobs, benefit from the repeal of the Windfall Elimination Provision. California is one of 15 states that does not enroll its teachers in Social Security. Instead, teachers receive pensions from the California Teachers' Retirement System, or CalSTRS.

If you were employed in a position within CalSTRS at any time prior to January, 2025 (even if you are in Cal PERS currently), please be advised you may want to contact CalSTRS and the Social Security office of the federal government to see if this new law affects your retirement.
